	QUESTION / COMMENT	STATE RESPONSE
1	Will the Exhibit Fabricator be provided a Tennessee Sales or Use Tax Certificate of Exemption on this Project?	Tax is required to be paid on projects in the State of Tennessee; therefore a Use Tax Certificate of Exemption will not be provided.
2	While we acknowledge the State's earlier comment that a design schedule does not yet exist, for scheduling purposes it would be very helpful if you could provide preliminary completion dates for the three phases of design (Concept, Design Development, and Final Design). Would this be possible?	Concept Design is anticipated to be completed middle of 2016, with Design Development expected to be finished by the end of 2016. Duration of final design will be coordinated with the development of shop drawings and fabrication of exhibits.
