**AMENDMENT #2
OF GRANT CONTRACT #36655
BETWEEN THE STATE OF TENNESSEE,
DEPARTMENT OF FINANCE AND ADMINISTRATION,
DIVISION OF HEALTH CARE FINANCE AND ADMINISTRATION,
BUREAU OF TENNCARE
AND
AGING COMMISSION OF THE MID-SOUTH**

This Grant Contract Amendment is made and entered by and between the State of Tennessee, Department of Finance and Administration, Division of Health Care Finance and Administration, Bureau of TennCare, hereinafter referred to as the "State" or "TennCare" and Aging Commission of the Mid-South, hereinafter referred to as the "Grantee." It is mutually understood and agreed by and between said, undersigned contracting parties that the subject Grant Contract is hereby amended as follows:

1. Grant Contract section A.39 is deleted in its entirety and replaced with the following:
 - A.39. The Grantee shall facilitate the applicant's Medicaid categorical and financial eligibility determination, including, but not limited to (as applicable):
 - a. Completion of the LTSS and MSP TennCare Medicaid application;
 - b. Gathering and copying of all required documentation for verification purposes;
 - c. Submission of the Medicaid application and supporting documentation to TennCare Member Services;
 - d. Follow-up regarding any additional information needed; and
 - e. Determination of presumptive eligibility in accordance with TennCare protocols.

2. Grant Contract section A.40 is deleted in its entirety and replaced with the following:
 - A.40. The Grantee shall complete the Pre-Admission Evaluation (PAE), including *Safety Determination Request Form*, as applicable, in accordance with specifications in TennCare Administrative Rules, policies and protocols, including all supporting documentation as required by TennCare. The Grantee shall complete a *Safety Determination Request Form* any time the member's assessed acuity score is less than nine (9) and the Grantee believes that the person's needs could not be safely met in the community within the array of services and supports available if the person were enrolled in Group 3 or if the applicant, his or her representative requests a safety determination. The Grantee shall be responsible for ensuring that the LOC, including *Safety Determination Request Form*, as applicable, is accurate and complete, satisfies all technical requirements specified by TennCare, and accurately reflects the member's current medical and functional status based on information gathered. At a minimum, this information must be gathered from the member, his or her representative, the staff's direct observations, and the history and physical or other medical records which shall be submitted with the application. The Grantee shall note in the LOC any discrepancies between these sources of information, and shall provide explanation regarding how the Grantee addressed such discrepancies in the LOC.

3. Grant Contract section A.42 is deleted in its entirety and replaced with the following:
 - A.42. Within five (5) business days of the face-to-face visit, the Grantee shall submit to TennCare, in the manner specified by TennCare, all documentation necessary for determination of LOC eligibility, including, as applicable, the *Safety Determination*

Request Form and supporting documentation; and at the same time, in the manner specified by TennCare, the Grantee shall submit all documents required to facilitate CHOICES enrollment as described in TennCare protocols, policies and procedures.

- a. If the Grantee is unable to obtain specific documents within five (5) business days, such as required medical information or bank statements, and such documents delay the submission of information to TennCare, the Grantee must document and continue efforts to collect such documents until complete documentation is obtained and submitted.
- b. Efforts to collect medical documentation required for the submission of the PAE shall include at least three (3) attempts utilizing the following methods, or combinations of methods:
 - (1) Contacting the physician, medical facility or other healthcare entity by telephone, fax and/or in writing;
 - (2) Visiting the healthcare entity, if possible and practicable, to request and/or pick up the required documentation; and/or
 - (3) Contacting the applicant by phone, face-to-face, or in writing to request assistance in obtaining the needed documentation.
- c. Multiple faxes or calls to the physician or provider shall not be sufficient. If a recent history and physical or other medical records supporting the functional deficits are not available (e.g., the applicant has not received medical care in the last 365 days), the Grantee may offer to assist the applicant in scheduling an appointment with his/her PCP to obtain the needed information.
- d. The Grantee must submit the PAE, including *Safety Determination Request Form*, if applicable, to TennCare within twenty (20) business days from the date of the face-to-face visit, regardless of whether the Grantee has received the supporting documentation. If the PAE submission results in a denial, and within thirty (30) calendar days of such denial the Grantee obtains additional supporting documentation, the Grantee shall submit a revised PAE with the supporting documentation. The Grantee shall be required to submit a new PAE with supporting documentation to TennCare if such documentation is subsequently received after thirty (30) calendar days.
- e. For any safety determination request that TennCare receives for a person not enrolled in TennCare, which contains insufficient medical evidence for TennCare to make a safety determination, TennCare may request that the Grantee conduct an assessment pursuant to TennCare protocol to gather missing or incomplete documentation to enable TennCare to make a safety determination. If TennCare makes a request to the Grantee to gather such documentation, the Grantee shall, in a manner prescribed by TennCare, identify which documentation is missing or incomplete and conduct a safety determination assessment pursuant to TennCare protocol to gather completed documentation. The Grantee shall provide completed documentation sufficient for TennCare to make a safety determination request within eight (8) business days of the referral by TennCare, except when a delay results from the needs or request of the applicant, in which case the safety determination, including supporting documentation, shall be submitted to TennCare within one (1) business day following receipt by the Grantee, but no more than twenty-seven (27) calendar days from the PAE submission.

4. Grant Contract section A.47 is deleted in its entirety and replaced with the following:

- A.47. The Grantee shall facilitate determination of continued Medicaid eligibility. Upon notification by TennCare or identification through another means that a CHOICES enrollee's Medicaid eligibility is ending and that specific action is required to determine continued eligibility, in the manner prescribed by TennCare, the Grantee shall facilitate the Medicaid reverification process, which, at a minimum, includes:
- a. Completion of the Request for Information (RFI) or other form as may be required by TennCare Member Services;

The Grantee shall obtain confirmation of receipt which may include a fax confirmation page, fax transmission log from the sending fax machine or documentation of e-mail delivery to the MCO.
- A.22. The Grantee shall be the LCA for referrals received on behalf of individuals who are currently eligible for TennCare, but whose eligibility is ending.
- A.23. The Grantee shall provide individuals referred through the MDS process with information about available LTSS options for community living and, as appropriate, eligibility requirements and enrollment processes for such services regardless of whether the individual may be eligible for Medicaid or other publicly funded programs, or would be paying privately for such care.
- A.24. The Grantee shall consider NF-generated MDS referrals on behalf of individuals who are ineligible for CHOICES as an initial request for I&R for LTSS through other payer sources including private pay.

- a. For MDS referrals, the Grantee provides information, referral, screening, assessment and facilitated enrollment, as appropriate.
 - b. The referring NF remains responsible for discharge planning.
- A.25. For all MDS referrals for individuals currently ineligible for Medicaid, the Grantee shall, in accordance with policies and protocols established by TennCare:
- a. Contact the individual or the individual's representative within two (2) business days of the receipt of the referral.

 - (2) This contact may not be used in lieu of a face-to-face visit.
 - b. Conduct a face-to-face visit within ten (10) business days of the receipt of referral.
 - (1) The Grantee shall conduct such a visit with all individuals referred to the Grantee through the MDS referral process; and
 - (2) Such a visit shall be conducted by appropriately qualified staff.
 - (3) If the individual or the individual's representative declines a face-to-face visit, the Grantee shall document this declination and shall not conduct a face-to-face visit.
- A.26. For all MDS referrals, based on eligibility requirements and services needed, the Grantee shall:
- a. Facilitate CHOICES screening, assessment and enrollment as described in this Grant Contract;
 - b. Facilitate enrollment into LTSS programs other than CHOICES;
 - c. Provide information about locally available LTSS options for community living regardless of payer source for such services; and

- A.27. The Grantee shall utilize standardized forms and/or databases to collect MDS referral data including:
- a. Date of referral receipt;
 - b. Referring facility;
 - c. Basic demographic information of referred individual, including name, SSN, DOB, name of the NF where the MDS assessment occurred, and county where the NF is located;
 - d. Name and contact information for individual and/or representative;
 - e. Date of Grantee's initial contact;
 - f. Date of Grantee's face-to-face visit; and
 - g. Outcome of the referral (e.g., enrolled in CHOICES, enrolled into another LTSS program, counseled regarding private pay service options, unable to be contacted, referred to MCO or individual/representative stated no information needed).

- A.28. The Grantee may, upon written approval by TennCare, modify data elements and/or be granted additional time to complete system modifications needed to collect and report the data elements specified in Section A.27.

Screening and Assessment – CHOICES

- A.29. The Grantee may receive referrals for the CHOICES program from sources that include, but are not limited to, the Grantee's I&R or MDS processes, providers, individuals, families, MCOs, TennCare and hospitals. To facilitate CHOICES referrals, the Grantee shall make reasonable efforts to establish good working partnerships and ongoing communication processes with hospital discharge planners and NF social workers located within the Grantee's service area. The Grantee shall, whenever possible and practicable for at least specified times each week, co-locate intake and assessment staff at locations throughout the community where the elderly and adults with physical disabilities will likely seek entry into the CHOICES program.
- A.30. The Grantee shall transfer to the MCO referrals received on behalf of individuals who are currently eligible for TennCare, who do not have eligibility end dates at the time of the referral and who are assigned to a TennCare MCO.
- a. For referrals received via telephone during business hours, the Grantee shall make every effort to utilize a warm transfer process to facilitate the caller's contact with the MCO.
 - b. If a warm transfer is not possible, the Grantee may provide information to the caller detailing the method in which the caller may contact the MCO directly, guidance on how to make the referral directly to the MCO and instruction on how to contact the Grantee if unable to successfully contact the MCO. Following this provision of information, the Grantee may transfer the caller to the MCO.
 - c. For referrals received outside normal business hours or via a method other than telephonically, the Grantee shall document the referral in the manner specified in TennCare protocols, and fax or email the referral to the appropriate MCO.
 - (1) Fax and/or email referrals must be transmitted to the MCO daily.
 - (2) The Grantee must obtain confirmation of receipt which may include a fax transmission log from the sending fax machine or documentation of e-mail delivery to the MCO.
 - (3) The Grantee shall maintain documentation of all referrals sent to the MCO and shall make such documentation available to TennCare upon request. At a minimum, such documentation shall include the caller's name, date and time of call, method of referral to the MCO, and time and date of referral.
- A.31. For individuals who are not currently enrolled in TennCare or whose TennCare eligibility is ending as evidenced by an eligibility end date, the Grantee shall utilize standardized processes, protocols, and forms approved by TennCare to conduct the initial screening and/or assessment to determine if the applicant appears to be eligible for the CHOICES program. These activities represent intake screening and do not constitute an eligibility determination.
- A.32. Using the tools and protocols specified by TennCare, the Grantee may elect to complete an initial telephonic screening that shall assess whether the applicant appears to meet:
- a. Categorical and financial eligibility criteria for CHOICES; and
 - b. Level of care (LOC) criteria for CHOICES.
- A.33. The Grantee shall make every effort to conduct this screening process at the time of referral, unless the person making the referral is unable or is not authorized by the applicant to assist with

the screening process, in which case the Grantee shall complete the telephone screening process within two (2) business days of receipt of the referral, unless a later date is requested by the applicant, which shall be documented in writing in the intake record.

- A.34. Regardless of referral source, the Grantee may consider an individual as unable to be contacted and the Screening Referral as resolved when the Grantee has:
- a. Made and documented three (3) attempts to contact the individual via phone over five (5) days; and subsequently
 - b. Mailed a letter detailing how the individual may obtain a CHOICES screening in the future and enclosed information regarding the CHOICES program to individuals for whom the Grantee obtained an address. Such a letter shall be provided by TennCare or developed by the Grantee and approved by TennCare.
 - c. Such efforts must be documented in the intake record and include the telephone and/or address used for the required contacts.
- A.35. The Grantee shall ensure that the initial screening process does not "screen out" any individual that might qualify for enrollment in CHOICES, and/or deny any individual the right to apply for enrollment in the CHOICES program.
- A.36. The Grantee shall document the outcome of the CHOICES screening in the intake record.
- a. If the applicant does not meet the telephone screening criteria, the Grantee shall notify the applicant verbally and in writing (a) that he/she does not appear to meet the criteria for enrollment in the CHOICES program; (b) that he/she has the right to continue with the CHOICES intake process and if determined ineligible, to receive notice of such denial, including the applicant's due process right to appeal; and (c) that if the applicant wishes to proceed with the intake process, the applicant must submit a written request to the Grantee, in which case, the intake assessment shall be conducted within five (5) business days of receipt of such written request by the Grantee unless the Grantee is unable to reach the applicant or family member, a later date is requested by the applicant or family member, or due to other events outside of the Grantee's control, which shall be documented in writing in the intake record. This notice will be provided by TennCare or developed by the Grantee and approved by TennCare.
 - b. For applicants who meet the screening criteria or for whom the Grantee elects not to use such screening process, the Grantee shall conduct an in-home face-to-face assessment of the individual's medical, functional, and social needs. The Grantee shall conduct the face-to-face visit, including the LOC and needs assessment, in the applicant's place of residence, except under extenuating circumstances (such as the applicant's hospitalization), which shall be documented in writing. This assessment shall be completed within five (5) business days of the initial screening or, for persons for whom the Grantee elects not to use such screening process, within five (5) business days of receipt of the referral, unless the Grantee is unable to reach the applicant or family member, a later date is requested by the applicant or family member, or due to other events outside of the Grantee's control, which shall be documented in writing in the intake record. As part of this intake visit the Grantee shall, using the tools and protocols specified by TennCare, conduct a LOC and needs assessment and assess the applicant's existing natural support system, including, but not limited to, informal supports provided by family and other caregivers, services that may be available at no cost to the applicant through other entities, and services that are reimbursable through other public or private funding sources, such as Medicare or LTC insurance.
- A.37. Pursuant to TennCare policies and protocols for management of waiting lists for enrollment into CHOICES Group 2, alternative timeframes for completion of CHOICES intake assessment functions and activities apply when there is a waiting list for enrollment into CHOICES Group 2.

The Grantee shall be notified in writing when CHOICES Group 2 enrollment is approaching the enrollment target and if alternative timelines will apply.

- A.38. During the Grantee's face-to-face intake assessment with the applicant and family or other caregivers as appropriate, The Grantee shall:
- a. Provide general CHOICES education and information as specified by TennCare, and assist in answering any questions the applicant may have;
 - b. Provide information about Federal Estate Recovery Program (FERP) provisions;
 - c. Provide choice counseling and facilitate the applicant's/representative's selection of an MCO;
 - d. Verbally and in writing, in the format prescribed by TennCare, provide education regarding freedom of choice of NF versus HCBS. This decision shall be documented with a Freedom of Choice form signed by the applicant or other representative as appropriate;
 - e. Provide information and signed acknowledgement of understanding regarding a CHOICES member's responsibility with respect to payment of patient liability amounts, including signed acknowledgement of understanding regarding the potential consequences for non-payment of patient liability which may include loss of the member's current NF provider, community-based residential provider, HCBS provider or MCO; disenrollment from CHOICES; and to the extent the member's eligibility is dependent on receipt of Medicaid-reimbursed LTSS, possible loss of eligibility for TennCare;
 - f. For applicants who want to receive NF services:

- (3) An invoice under this Grant Contract shall initiate the timeframe for reimbursement only when the State is in receipt of the invoice, and the invoice meets the minimum requirements of this section C.5.

C.6. Budget Line-items. Expenditures, reimbursements, and payments under this Grant Contract shall adhere to the Grant Budget. The Grantee may vary from a Grant Budget line-item amount by up to five percent (5%) of the line-item amount, provided that any increase is off-set by an equal reduction of other line-item amount(s) such that the net result of variances shall not increase the total Grant Contract amount detailed by the Grant Budget. Any increase in the Grant Budget, grand total amounts shall require an amendment of this Grant Contract.

C.7. Disbursement Reconciliation and Close Out. The Grantee shall submit any final invoice and a grant disbursement reconciliation report within sixty (60) days of the Grant Contract end date and in form and substance acceptable to the State.

- a. If total disbursements by the State pursuant to this Grant Contract exceed the amounts permitted by the section C, payment terms and conditions of this Grant Contract, the Grantee shall refund the difference to the State. The Grantee shall submit said refund with the final grant disbursement reconciliation report.
 - b. The State shall not be responsible for the payment of any invoice submitted to the state after the grant disbursement reconciliation report. The State will not deem any Grantee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the State, and such invoices will NOT be paid.
 - c. The Grantee's failure to provide a final grant disbursement reconciliation report to the state as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the state pursuant to this Grant Contract.
 - d. The Grantee must close out its accounting records at the end of the contract period in such a way that reimbursable expenditures and revenue collections are NOT carried forward.
- C.8. Indirect Cost. Should the Grantee request reimbursement for indirect cost, the Grantee must submit to the State a copy of the indirect cost rate approved by the cognizant federal agency and the State. The Grantee will be reimbursed for indirect cost in accordance with the approved indirect cost rate to amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the contract period. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency and the State. If the indirect cost rate is provisional during the period of this Grant Contract, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.
- C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Department of Finance and Administration Policy Statement 03 or any amendments or revisions made to this policy statement during the contract period.
- C.10. Payment of Invoice. A payment by the State shall not prejudice the State's right to object to or question any reimbursement, invoice, or matter in relation thereto. A payment by the State shall not be construed as acceptance of any part of the work or service provided or as approval of any amount as an allowable cost.
- C.11. Unallowable Costs. Any amounts payable to the Grantee shall be subject to reduction for amounts included in any invoice or payment theretofore made, which are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, not to constitute allowable costs.
- C.12. Deductions. The State reserves the right to deduct from amounts, which are or shall become due and payable to the Grantee under this or any contract between the Grantee and the State of Tennessee any amounts, which are or shall become due and payable to the State of Tennessee by the Grantee.
- C.13. Prerequisite Documentation. The Grantee shall not invoice the State under this Grant Contract until the State has received the following documentation properly completed.
- a. The Grantee shall complete, sign, and present to the State an "Authorization Agreement for Automatic Deposit (ACH Credits) Form" provided by the State. By doing so, the Grantee acknowledges and agrees that, once said form is received by the State, all payments to the Grantee, under this or any other contract the Grantee has with the State of Tennessee shall be made by Automated Clearing House (ACH).

- b. The Grantee shall complete, sign, and present to the State a "Substitute W-9 Form" provided by the State. The taxpayer identification number detailed by said form must agree with the Federal Employer Identification Number or Social Security Number referenced in this Grant Contract or the Grantee's Tennessee Edison Registration.

D. STANDARD TERMS AND CONDITIONS:

- D.1. Required Approvals. The State is not bound by this Grant Contract until it is signed by the contract parties and approved by appropriate officials in accordance with applicable Tennessee laws and regulations (depending upon the specifics of this contract, said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).
- D.2. Modification and Amendment. Except as specifically provided herein, this Grant Contract may be modified only by a written amendment signed by all parties hereto and approved by both the officials who approved the base contract and, depending upon the specifics of the contract as amended, any additional officials required by Tennessee laws and regulations (said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).
- D.3. Termination for Convenience. The Grant Contract may be terminated by either party by giving written notice to the other, at least thirty (30) days before the effective date of termination. Should either party exercise this provision, the Grantee shall be entitled to reimbursement for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for any service which has not been rendered. The final decision as to the amount, for which the State is liable, shall be determined by the State. In the event of disagreement, the Grantee may file a claim with the Tennessee Claims Commission to seek redress.
- D.4. Termination for Cause. If the Grantee fails to properly perform its obligations under this Grant Contract in a timely or proper manner, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate the Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.
- D.5. Subcontracting. The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this contract pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall be the prime contractor and shall be responsible for all work performed.
- D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.
- D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:
 - a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal,

amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

- b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, *U.S. Code*.

- D.8. Nondiscrimination. The Grantee hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Grantee shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.9. Public Accountability. If the Grantee is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4, or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Grantee shall display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least twelve inches (12") in height and eighteen inches (18") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454
- D.10. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee shall include the statement, "This project is funded under an agreement with the State of Tennessee." Any such notices by the Grantee shall be approved by the State.
- D.11. Licensure. The Grantee and its employees and all sub-grantees shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.
- D.12. Records. The Grantee (and any approved subcontractor) shall maintain documentation for all charges under this Contract. The books, records, and documents of the Grantee (and any approved subcontractor), insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the state agency, the Comptroller of the Treasury, or duly appointed representatives. The records of not-for-profit entities shall be maintained in accordance with applicable, accounting and financial reporting publication(s) of the Tennessee Comptroller of the Treasury. Financial statements shall be prepared in accordance with generally accepted accounting principles.

- D.13. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.14. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.
- D.15. Annual Report and Audit. The Grantee shall prepare and submit, within nine (9) months after the close of the reporting period, an annual report of its activities funded under this Grant Contract to the commissioner or head of the Granting agency, the Tennessee Comptroller of the Treasury, and the Commissioner of Finance and Administration. The annual report for any Grantee that receives five hundred thousand dollars (\$500,000) or more in aggregate federal and state funding for all its programs shall include audited financial statements. All books of account and financial records shall be subject to annual audit by the Tennessee Comptroller of the Treasury or the Comptroller's duly appointed representative. When an audit is required, the Grantee may, with the prior approval of the Comptroller, engage a licensed independent public accountant to perform the audit. The audit contract between the Grantee and the licensed independent public accountant shall be on a contract form prescribed by the Tennessee Comptroller of the Treasury. Any such audit shall be performed in accordance with generally accepted government auditing standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of the Treasury. The Grantee shall be responsible for reimbursement of the cost of the audit prepared by the Tennessee Comptroller of the Treasury, and payment of fees for the audit prepared by the licensed independent public accountant. Payment of the audit fees of the licensed independent public accountant by the Grantee shall be subject to the provisions relating to such fees contained in the prescribed contract form noted above. Copies of such audits shall be provided to the designated cognizant state agency, the State Granting Department, the Tennessee Comptroller of the Treasury, and the Department of Finance and Administration and shall be made available to the public.
- D.16. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, and/or contracted services, such procurement(s) shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for such decision and non-competitive procurement. Further, and notwithstanding the foregoing, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the Grantee's compliance with applicable federal procurement requirements.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

- D.17. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.18. Independent Contractor. The parties hereto, in the performance of this Grant Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being a political subdivision of the State, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.19. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.
- D.20. Force Majeure. The obligations of the parties to this Grant Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.21. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract.
- D.22. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.23. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.24. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.25. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

E. SPECIAL TERMS AND CONDITIONS:

- E.3. Subject to Funds Availability. The Grant Contract is subject to the appropriation and availability of State and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate the Grant Contract upon written notice to the Grantee. Said termination shall not be deemed a breach of contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.4. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- E.5. No Equipment Acquisition. This Grant Contract does not involve the acquisition and disposition of equipment acquired with funds provided under this Grant Contract.
- E.6. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State shall be regarded as confidential information in accordance with the provisions of applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards. Such confidential information shall not be disclosed, and all necessary steps shall be taken by the Grantee to safeguard the confidentiality of such material or information in conformance with applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards.

The Grantee's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Grantee of this Grant Contract; previously possessed by the Grantee without written obligations to the State to protect it; acquired by the Grantee without written restrictions against disclosure from a third party which, to the Grantee's knowledge, is free to disclose the information; independently developed by the Grantee without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure. Nothing in this paragraph shall permit Grantee to disclose any information that is confidential under federal or state law or regulations, regardless of whether it has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Grant Contract.

- E.7. HIPAA and HITECH Compliance. The State and Grantee shall comply with obligations under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and Health Information Technology for Economic and Clinical Health Act (HITECH) under the American Recovery and Reinvestment Act of 2009 (ARRA) and their accompanying regulations, and as amended.

The Grantee warrants to the State that it is familiar with the requirements of HIPAA and HITECH and their accompanying regulations, and shall comply with all applicable HIPAA and HITECH requirements in the course of this Contract including but not limited to the following:

1. Compliance with the Privacy Rule, Security Rule, Notification Rule;
2. The creation of and adherence to sufficient Privacy and Security Safeguards and Policies;
3. Timely Reporting of Violations in the Access, Use and Disclosure of PHI; and
4. Timely Reporting of Privacy and/or Security Incidents.

The Grantee warrants that it shall cooperate with the State, including cooperation and coordination with State privacy officials and other compliance officers required by HIPAA and HITECH and their accompanying regulations, in the course of performance of the Contract so that both parties will be in compliance with HIPAA and HITECH.

The State and the Grantee shall sign documents, including but not limited to business associate agreements, as required by HIPAA and HITECH and that are reasonably necessary to keep the State and Grantee in compliance with HIPAA and HITECH.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Contract.

- E.8. Printing Authorization. The Grantee agrees that no publication coming within the jurisdiction of *Tennessee Code Annotated*, Section 12-7-101, *et seq.*, shall be printed pursuant to this contract unless a printing authorization number has been obtained and affixed as required by *Tennessee Code Annotated*, Section 12-7-103 (d).
- E.9. State Furnished Property. The Grantee shall be responsible for the correct use, maintenance, and protection of all articles of nonexpendable, tangible, personal property furnished by the State for the Grantee's temporary use under this Grant Contract. Upon termination of this Grant Contract, all property furnished shall be returned to the State in good order and condition as when received, reasonable use and wear thereof excepted. Should the property be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the residual value of the property at the time of loss.
- E.10. Work Papers Subject to Review. The Grantee shall make all audit, accounting, or financial analysis work papers, notes, and other documents available for review by the Comptroller of the Treasury or his representatives, upon request, during normal working hours either while the analysis is in progress or subsequent to the completion of this Grant Contract.
- E.11. Environmental Tobacco Smoke. Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the Tennessee "Children's Act for Clean Indoor Air of 1995," the Grantee shall prohibit smoking of tobacco products within any indoor premises in which services are provided to individuals under the age of eighteen (18) years. The Grantee shall post "no smoking" signs in appropriate, permanent sites within such premises. This prohibition shall be applicable during all hours, not just the hours in which children are present. Violators of the prohibition may be subject to civil penalties and fines. This prohibition shall apply to and be made part of any subcontract related to this Grant Contract.

- E.12. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:
- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
 - b. have not within a three (3) year period preceding this Grant Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
 - c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
 - d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified.

- E.13. Offer of Gratuities. By signing this Grant Contract, the Grantee signifies that no member of or a delegate of Congress, nor any elected or appointed official or employee of the State of Tennessee, the General Accounting Office, Department of Health and Human Services, CMS, or any other federal agency has or will benefit financially or materially from this procurement. This Grant Contract may be terminated by TennCare if it is determined that gratuities of any kind were offered to or received by any of the aforementioned officials or employees from the Grantee, his agent, or employees and may result in termination of the Grant Contract as provided in Section D.4.

- E.14. Tennessee Bureau of Investigation Medicaid Fraud and Abuse Unit (MFCU) Access to Contractor and Provider Records Office of TennCare Inspector General (OIG) Access to Contractor, Provider, and Enrollee Records

Pursuant to the Health Insurance Portability and Accountability Act (HIPAA) privacy regulations, MFCU and TennCare OIG shall be health oversight agencies as defined at 45 C.F.R. §§ 164.501 and 164.512(d) and 65 F.R. § 82462. When acting in their respective capacities as health oversight agencies, MFCU and TennCare OIG do not need authorization to obtain enrollee protected health information (PHI). Because MFCU and TennCare OIG will request the information mentioned above for health oversight activities, "minimum necessary" standards do not apply to disclosures to MFCU or TennCare OIG that are required by law. See 45 C.F.R. §§ 164.502(b)(2)(iv), 164.502(b)(2)(v), and 164.512(d).

The Grantee shall immediately report to MFCU all factually based known or suspected fraud, abuse, waste and/or neglect of a provider or Contractor, including, but not limited to, the false or fraudulent filings of claims and/or the acceptance or failure to return money allowed or paid on claims known to be false or fraudulent. The Grantee shall not investigate or resolve the suspicion, knowledge or action without informing MFCU, and must cooperate fully in any investigation by MFCU or subsequent legal action that may result from such an investigation.

The Grantee shall, upon request, make them available to MFCU or TennCare OIG. In addition, the MFCU must be allowed access to the place of business and to all TennCare records of any Contractor during normal business hours, except under special circumstances when after hour admission shall be allowed. MFCU shall determine any and all special circumstances.

The Grantee shall report TennCare enrollee fraud and abuse to TennCare OIG. The Grantee may be asked to help and assist in investigations by providing requested information and access to records. Shall the need arise, TennCare OIG must be allowed access to the place of business and to all TennCare records of any TennCare Contractor, during normal business hours.

The Grantee shall inform its subcontractors that as a condition of receiving any amount of TennCare payment, the subcontractor must comply with this Section of this Grant Contract regarding fraud, abuse, waste and neglect.

- E.15. Federal Funding Accountability and Transparency Act (FFATA). This Grant requires the Grantee to provide supplies and/or services that are funded in whole or in part by federal funds that are subject to FFATA. The Grantee is responsible for ensuring that all applicable requirements, including but not limited to those set forth herein, of FFATA are met and that the Grantee provides information to the State as required.

The Grantee shall comply with the following:

- a. Reporting of Total Compensation of the Grantee's Executives.
 - (1) The Grantee shall report the names and total compensation of each of its five most highly compensated executives for the Grantee's preceding completed fiscal year, if in the Grantee's preceding fiscal year it received:
 - i. 80 percent or more of the Grantee's annual gross revenues from Federal procurement contracts and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and sub awards); and
 - ii. \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts), and Federal financial assistance subject to the Transparency Act (and sub awards); and
 - iii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>.)

Executive means officers, managing partners, or any other employees in management positions.
 - (2) Total compensation means the cash and noncash dollar value earned by the executive during the Grantee's preceding fiscal year and includes the following (for more information see 17 CFR 229.402(c)(2)):
 - i. Salary and bonus.
 - ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.
 - iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
 - iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
 - v. Above-market earnings on deferred compensation which is not tax qualified.

- vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.
- b. The Grantee must report executive total compensation described above to the State by the end of the month during which this Grant is awarded.
- c. If this Grant is amended to extend its term, the Grantee must submit an executive total compensation report to the State by the end of the month in which the amendment to this Grant becomes effective.
- d. The Grantee will obtain a Data Universal Numbering System (DUNS) number and maintain its DUNS number for the term of this Grant. More information about obtaining a DUNS Number can be found at: <http://fedgov.dnb.com/webform/>

The Grantee's failure to comply with the above requirements is a material breach of this Grant for which the State may terminate this Grant for cause. The State will not be obligated to pay any outstanding invoice received from the Grantee unless and until the Grantee is in full compliance with the above requirements.

- E.16. Liquidated Damages. TennCare may choose to assess Liquidated Damages when one or more specified performance standards are not met (see Attachment C). TennCare may also choose to assess Liquidated Damages of \$200 for any instance in which the Grantee fails to properly perform its obligations as defined under this Grant Contract in an appropriate and/or timely manner. Upon determination that the Grantee has failed to meet one or more specified performance standards or to perform one or more of the services described in Section A under this Grant Contract in an appropriate and/or timely manner, TennCare shall notify the Grantee in writing of the deficiency. The Grantee must work to immediately correct such deficiency. The Grantee shall have thirty (30) calendar days from the date of notification to provide proof that such deficiency has been fully resolved to the satisfaction of TennCare. The Deputy Commissioner of TennCare or his or her designee shall determine when a deficiency has been satisfactorily cured. Resolution of the identified deficiency within thirty (30) calendar days does not preclude TennCare's ability to assess a one-time liquidated damage for each instance of such deficiency.

The damages may be retroactive to the date of notice of deficiency and will be deducted from the monthly payments to the Grantee.

If the Grantee experiences a loss or breach of said data, the State will determine whether or not notice to individuals whose data has been lost or breached shall be provided and Contractor shall bear any costs associated with the notice or any mitigation.

- (h) In order to meet certain requirements set forth in the State's Computer Matching and Privacy Protection Act Agreement (CMPPA) with the SSA, the Parties acknowledge that this Section shall be included in all agreements executed by or on behalf of the State. TennCare and the Grantee further agree that FISMA and NIST do not apply in the context of data use and disclosure under this Contract as Contractor and Contractor shall neither use nor operate a federal information system on behalf of a federal executive agency. Further, NIST is applicable to federal information systems; therefore, although encouraged to do so, the State, its contractors, agents and providers are not required to abide by the NIST guidelines.

However, only CHOICES HCBS are eligible for Consumer Direction. CHOICES HCBS do not include home health or private duty nursing services or any other HCBS that are covered by Tennessee's Title XIX state plan or under the TennCare demonstration for all eligible enrollees, although such services are subject to estate recovery and shall be counted for purposes of determining whether a CHOICES Group 2 member's needs can be safely met in the community within his or her individual cost neutrality cap.
