The Grantee warrants that no part of the total Grant Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.

The Grantee acknowledges, understands, and agrees that this Grant Contract shall be null and void if the Grantee is, or within the past six months has been, an employee of the State of Tennessee or if the Grantee is an entity in which a controlling interest is held by an individual who is, or within the past six months has been, an employee of the State of Tennessee.

- D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:

- c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

- D.9. Subject to Funds Availability. This Grant Contract is subject to the appropriation and availability of State or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Grant Contract upon written notice to the Grantee. The State's right to terminate this Grant Contract due to lack of funds is not a

breach of this Grant Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

- D.10. Nondiscrimination. The Grantee agrees that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Grantee shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.11. HIPAA Compliance. The State and the Grantee shall comply with obligations under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), Health Information Technology for Economic and Clinical Health ("HITECH") Act and any other relevant laws and regulations regarding privacy (collectively the "Privacy Rules"). The obligations set forth in this Section shall survive the termination of this Grant Contract.
- a. The Grantee warrants to the State that it is familiar with the requirements of the Privacy Rules, and will comply with all applicable requirements in the course of this Grant Contract.
 - b. The Grantee warrants that it will cooperate with the State, including cooperation and coordination with State privacy officials and other compliance officers required by the Privacy Rules, in the course of performance of this Grant Contract so that both parties will be in compliance with the Privacy Rules.
 - c. The State and the Grantee will sign documents, including but not limited to business associate agreements, as required by the Privacy Rules and that are reasonably necessary to keep the State and the Grantee in compliance with the Privacy Rules. This provision shall not apply if information received or delivered by the parties under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the parties to receive or deliver the information without entering into a business associate agreement or signing another document.
 - d. The Grantee will indemnify the State and hold it harmless for any violation by the Grantee or its subcontractors of the Privacy Rules. This includes the costs of responding to a breach of protected health information, the costs of responding to a government enforcement action related to the breach, and any fines, penalties, or damages paid by the State because of the violation.
- D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq.*, or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. The Grantee shall also display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least eleven inches (11") in height and seventeen inches (17") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454.

The sign shall be on the form prescribed by the Comptroller of the Treasury. The Grantor State Agency shall obtain copies of the sign from the Comptroller of the Treasury, and upon request from the Grantee, provide Grantee with any necessary signs.

- D.13. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee in relation to this Grant Contract shall include the statement, "This project is funded under a Grant Contract with the State of Tennessee." All notices by the Grantee in relation to this Grant Contract shall be approved by the State.
- D.14. Licensure. The Grantee and its employees and all sub-grantees shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.
- D.15. Records. The Grantee and any approved subcontractor shall maintain documentation for all charges under this Grant Contract. The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Grant Contract, shall be maintained for a period of five (5) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the Grantor State Agency, the Comptroller of the Treasury, or their duly appointed representatives.

The records shall be maintained in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification, Public Company Accounting Oversight Board (PCAOB) Accounting Standards Codification, or Governmental Accounting Standards Board (GASB) Accounting Standards Codification, as applicable, and any related AICPA Industry Audit and Accounting guides.

In addition, documentation of grant applications, budgets, reports, awards, and expenditures will be maintained in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Audit Requirements, and Cost Principles for Federal Awards*.

The Grantee shall also comply with any recordkeeping and reporting requirements prescribed by the Tennessee Comptroller of the Treasury.

The Grantee shall establish a system of internal controls that utilize the COSO Internal Control - Integrated Framework model as the basic foundation for the internal control system. The Grantee shall incorporate any additional Comptroller of the Treasury directives into its internal control system.

Any other required records or reports which are not contemplated in the above standards shall follow the format designated by the head of the Grantor State Agency, the Central Procurement Office, or the Commissioner of Finance and Administration of the State of Tennessee.

- D.16. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.17. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.
- D.18. Annual and Final Reports. The Grantee shall submit, within three (3) months of the conclusion of each year of the Term, an annual report. For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. The Grantee shall submit annual and final reports to the Grantor State Agency and the Department of Finance and Administration ("F&A"). Send electronic copies of annual and final reports to F&A at fa.audit@tn.gov. At minimum, annual and final reports shall

include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as an attachment to the Grant Contract.

- D.19. Audit Report. For purposes of this Section, pass-through entity means a non-federal entity that provides a subaward to a subrecipient to carry out part of a federal program.

The Grantee shall provide audited financial statements to the Tennessee Comptroller of the Treasury ("Comptroller") if during the Grantee's fiscal year, the Grantee: (1) expends seven hundred fifty thousand dollars (\$750,000) or more in direct and indirect federal financial assistance and the State is a pass-through entity; (2) expends seven hundred fifty thousand dollars (\$750,000) or more in state funds from the State; or (3) expends seven hundred fifty thousand dollars (\$750,000) or more in federal financial assistance and state funds from the State, and the State is a pass-through entity. At least ninety (90) days before the end of its fiscal year, the Grantee shall complete Attachment C to notify the State whether or not Grantee is subject to an audit. The Grantee should submit only one, completed document during the Grantee's fiscal year. Any Grantee that is subject to an audit and so indicates on Attachment C shall complete Attachment D. If the Grantee is subject to an audit, Grantee shall obtain the Comptroller's approval before engaging a licensed, independent public accountant to perform the audit. The Grantee may contact the Comptroller for assistance identifying auditors.

All audits shall be performed in accordance with the Comptroller's requirements, as posted on its web site. When a federal single audit is required, the audit shall be performed in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public.

The audit contract between the Grantee and the Auditor shall be on a contract form prescribed by the Comptroller. The Grantee shall be responsible for payment of fees for an audit prepared by a licensed, independent public accountant. Payment of the audit fees by the Grantee shall be subject to the provision relating to such fees contained within this Grant Contract. The Grantee shall be responsible for reimbursing the Comptroller for any costs of an audit prepared by the Comptroller.

- D.20. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, and/or contracted services, such procurement(s) shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.318—300.326 when procuring property and services under a federal award..

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

- D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.

- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the Grantee's employees, and to pay all applicable taxes incident to this Grant Contract.

- D.23. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.

- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the Party except to the extent that the non-performing Party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing Party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either Party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a Party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing Party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the Party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

- D.25. Tennessee Department of Revenue Registration. The Grantee shall be registered with the Department of Revenue for the collection of Tennessee sales and use tax. This registration requirement is a material requirement of this Grant Contract.

- D.26. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.

- D.27. No Acquisition of Equipment or Motor Vehicles. This Grant Contract does not involve the acquisition and disposition of equipment or motor vehicles acquired with funds provided under this Grant Contract.

- D.28. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract.

- D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-407.
- D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.31. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.32. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

E. SPECIAL TERMS AND CONDITIONS:

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, the special terms and conditions shall be subordinate to the Grant Contract's other terms and conditions.
- E.2. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential information under state or federal law shall be considered "Confidential Information." Nothing in this Section shall permit Grantee to disclose any Confidential Information, regardless of whether is has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law. The obligations set forth in this Section shall survive the termination of this Grant Contract.
- E.3. Disclosure of Personal Identity Information. The Grantee shall report to the State any instances of unauthorized disclosure of personally identifiable information that comes to the Grantee's attention. The Grantee shall make any such report within twenty-four (24) hours after the instance has come to the Grantee's attention. The Grantee, at the sole discretion of the State, shall provide no cost credit monitoring services for individuals that are deemed to be part of a potential disclosure. The Grantee shall bear the cost of notification to individuals having personally identifiable information involved in a potential disclosure event, including individual letters or public notice. The remedies set forth in this Section are not exclusive and are in addition to any claims or remedies available to the State under this Grant Contract or otherwise available at law.
- E.4. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
- b. have not within a three (3) year period preceding this Grant Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
- c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
- d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified.

- E.5. Patient Protection and Affordable Care Act. The Grantee agrees that it will be responsible for compliance with the Patient Protection and Affordable Care Act ("PPACA") with respect to itself and its employees, including any obligation to report health insurance coverage, provide health insurance coverage, or pay any financial assessment, tax, or penalty for not providing health insurance. The Grantee shall indemnify the State and hold it harmless for any costs to the State arising from Grantee's failure to fulfill its PPACA responsibilities for itself or its employees.
- E.6. Federal Funding Accountability and Transparency Act (FFATA). This Grant requires the Grantee to provide supplies or services that are funded in whole or in part by federal funds that are subject to FFATA. The Grantee is responsible for ensuring that all applicable requirements, including but not limited to those set forth herein, of FFATA are met and that the Grantee provides information to the State as required.

The Grantee shall comply with the following:

- a. Reporting of Total Compensation of the Grantee's Executives.
 - (1) The Grantee shall report the names and total compensation of each of its five most highly compensated executives for the Grantee's preceding completed fiscal year, if in the Grantee's preceding fiscal year it received:
 - i. 80 percent or more of the Grantee's annual gross revenues from federal procurement contracts and Federal financial assistance subject to the Transparency Act, as defined at 2 C.F.R. § 170.320 (and sub awards); and
 - ii. \$25,000,000 or more in annual gross revenues from federal procurement contracts (and subcontracts), and federal financial assistance subject to the Transparency Act (and sub awards); and
 - iii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. § 78m(a), 78o(d)) or § 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S.

Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>).

As defined in 2 C.F.R. § 170.315, "Executive" means officers, managing partners, or any other employees in management positions.

- (2) Total compensation means the cash and noncash dollar value earned by the executive during the Grantee's preceding fiscal year and includes the following (for more information see 17 § C.F.R. 229.402(c)(2)):
- i. Salary and bonus.
 - ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.
 - iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
 - iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
 - v. Above-market earnings on deferred compensation which is not tax qualified.
 - vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.
- b. The Grantee must report executive total compensation described above to the State by the end of the month during which this Grant Contract is established.
- c. If this Grant is amended to extend the Term, the Grantee must submit an executive total compensation report to the State by the end of the month in which the amendment to this Grant becomes effective.
- d. The Grantee will obtain a Data Universal Numbering System (DUNS) number and maintain its DUNS number for the term of this Grant. More information about obtaining a DUNS Number can be found at: <http://fedgov.dnb.com/webform/>

The Grantee's failure to comply with the above requirements is a material breach of this Grant for which the State may terminate this Grant Contract for cause. The State will not be obligated to pay any outstanding invoice received from the Grantee unless and until the Grantee is in full compliance with the above requirements.

- E.7. Applicable Laws, Rules, Policies and Court Orders. The Grantee agrees to comply with all applicable federal and State laws, rules, regulations, sub-regulatory guidance, executive orders, HCFA waivers, and all current, modified or future Court decrees, orders or judgments applicable to the State's TennCare and CHIP programs. Such compliance shall be performed at no additional cost to the State.
- E.8. Business Associate. Grantee hereby acknowledges its designation as a business associate under HIPAA and agrees to comply with all applicable HIPAA regulations. In accordance with the HIPAA regulations, the Grantee shall, at a minimum:

- a. Comply with requirements of the HIPAA, including, but not limited to, the transactions and code sets, privacy, security, and identifier regulations. Compliance includes meeting all required transaction formats and code sets with the specified data sharing agreements required under the regulations;
- b. Transmit/receive from/to its providers, subcontractors, clearinghouses and HCFA all transactions and code sets required by HIPAA in the appropriate standard formats, utilizing appropriate and adequate safeguards, as specified under the law and as directed by HCFA so long as HCFA direction does not conflict with the law;
- c. Agree that if it is not in compliance with all applicable standards defined within the transactions and code sets, privacy, security and all subsequent HIPAA standards, that it will be in breach of this Contract and will then take all reasonable steps to cure the breach or end the violation as applicable. Since inability to meet the transactions and code sets requirements, as well as the privacy and security requirements can bring basic business practices between HCFA and the Grantee and between the Grantee and its providers and/or subcontractors to a halt, if for any reason the Grantee cannot meet the requirements of this Section, HCFA may terminate this Contract.
- d. Ensure that Protected Health Information (PHI) exchanged between the Grantee and HCFA is used only for the purposes of treatment, payment, or health care operations and health oversight and its related functions. All PHI not transmitted for these purposes or for purposes allowed under the federal HIPAA regulations shall be de-identified to secure and protect the individual enrollee's PHI;
- e. Report to HCFA's Privacy Office immediately upon becoming aware of any use or disclosure of PHI in violation of this Contract by the Grantee, its officers, directors, employees, subcontractors or agents or by a third party to which the Grantee disclosed PHI;
- f. Specify in its agreements with any agent or subcontractor that will have access to PHI that such agent or subcontractor agrees to be bound by the same restrictions, terms and conditions that apply to the Grantee pursuant to this Section;
- g. Make its internal policies and procedures, records and other documentation related to the use and disclosure of PHI available upon request to the U.S. Secretary of Health and Human Services for the purposes of determining compliance with the HIPAA regulations;
- h. Create and adopt policies and procedures to periodically audit adherence to all HIPAA regulations;
- i. Agree to ensure that any agent, including a subcontractor, to whom it provides PHI that was created, received, maintained, or transmitted by or on behalf of HCFA agrees to use reasonable and appropriate safeguards to protect the PHI.
- j. If feasible, return or destroy all PHI, in whatever form or medium (including any electronic medium) and all copies of any data or compilations derived from and allowing identification of any individual who is a subject of that PHI upon termination, cancellation, expiration or other conclusion of the Agreement, and in accordance with this Section of this Contract. The Grantee shall complete such return or destruction as promptly as possible, but not later than thirty (30) days after the effective date of the termination, cancellation, expiration or other conclusion of the Agreement. The Grantee shall identify any PHI that cannot feasibly be returned or destroyed. Within such thirty (30) days after the effective date of the termination, cancellation, expiration or other conclusion of the Agreement, the Grantee shall: (1) certify an oath in writing that such return or destruction has been completed; (2) identify any PHI which

cannot feasibly be returned or destroyed; and (3) certify that it will only use or disclose such PHI for those purposes that make its return or destruction infeasible;

- k. Implement all appropriate administrative, physical and technical safeguards to prevent the use or disclosure of PHI other than pursuant to the terms and conditions of this Contract and, including, but not limited to, privacy, security and confidentiality requirements in 45 CFR Parts 160 and 164;
 - l. Set up appropriate mechanisms to limit use or disclosure of PHI to the minimum necessary to accomplish the intended purpose of the use or disclosure;
 - m. Create and implement policies and procedures to address present and future HIPAA regulatory requirements as needed, including, but not limited to: use and disclosure of data; de-identification of data; minimum necessary access; accounting of disclosures; enrollee's right to amend, access, request restrictions; notice of privacy practices and right to file a complaint;
 - n. Provide an appropriate level of training to its staff and employees regarding HIPAA related policies, procedures, enrollee rights and penalties prior to the HIPAA implementation deadlines and at appropriate intervals thereafter;
 - o. Track training of Grantee staff and employees and maintain signed acknowledgements by staff and employees of the Grantee's HIPAA policies;
 - p. Be allowed to use and receive information from HCFA where necessary for the management and administration of this Contract and to carry out business operations where permitted under the regulations;
 - q. Be permitted to use and disclose PHI for the Grantee's own legal responsibilities;
 - r. Adopt the appropriate procedures and access safeguards to restrict and regulate access to and use by Grantee employees and other persons performing work for the Grantee to have only minimum necessary access to PHI and personally identifiable data within their organization;
 - s. Continue to protect and secure PHI and personally identifiable information relating to enrollees who are deceased; and
 - t. Track all security incidents as defined by HIPAA and periodically report such incidents to HCFA in summary fashion.
- E.9. Information Holders. HCFA and the Grantee are "information holders" as defined in TCA 47-18-2107. In the event of a breach of the security of Grantee's information system, as defined by TCA 47-18-2107, the Grantee shall indemnify and hold HCFA harmless for expenses and/or damages related to the breach. Such obligations shall include, but not be limited to, mailing notifications to affected enrollees. Substitute notice to written notice, as defined by TCA 47-18-2107(e)(2) and (3), shall only be permitted with HCFA's express written approval. The Grantee shall notify HCFA's Privacy Office immediately upon becoming aware of any security incident that would constitute a "breach of the security of the system" as defined in TCA 47-18-2107.
- E.10. Notification of Breach and Notification of Suspected Breach. - The Grantee shall notify HCFA's Privacy Office immediately upon becoming aware of any incident, either confirmed or suspected, that represents or may represent unauthorized access, use or disclosure of encrypted or unencrypted computerized data that materially compromises the security, confidentiality, or integrity of enrollee PHI maintained or held by the Grantee, including any unauthorized
