

Council for Hearing Instrument Specialists
Policy Statement
May 13, 1998

The Council for Hearing Instrument Specialists has the duty and responsibility to regulate the practice of fitting hearing instruments in such a manner as to promote and protect the public's health, safety and welfare. Thus, the Council must review licensure applications and determine whether the applicant is qualified to be issued a license in accordance with the facts, the law and the regulatory statutes governing the profession, public welfare demanding it.
