

Medical Laboratory Board
Policy For Enforcement By
Board Consultant(s)
Medical Technologist Consultant(s)
Staff and Surveyors

Pursuant to the Medical Laboratory Personnel Rule Number 1200-6-1-.22(f)1.(ii) relevant to a special analyst license in a new and emerging technology, the following shall be the policy of the board:

In the absence of national certification, if a national qualification is available, the applicant must obtain the national qualification.

The American Society of Clinical Pathology offers a national qualification in the disciplines of Cytometry and Immunohistochemistry.

This information reflects the Board's policy and the consultant(s) and staff are authorized to interpret and act on this policy.

Adopted this 16th day of April, 1998, by a majority roll call vote of the members of the Medical Laboratory Board.

James R. Cundall, MT, Chairman
Medical Laboratory Board
