
Charter School Authorizer Policies

The Background:

Pursuant to Public Chapter 850 (2014), the State Board of Education has become an appellate authorizer for charter schools who make application in an LEA that contains a priority school.

New policies are needed in the areas of mission, authorizing principles, application review, charter agreement, oversight, and autonomy. These policies are in agreement with national standards for authorizing.

The Recommendation:

SBE staff recommends acceptance of these items on first reading.

The following policies will be available in advance of the Board meeting:

- 6.100: Mission
- 6.200: Core Authorizing Principles
- 6.300: Application Review
- 6.400: Charter Agreement
- 6.500: Oversight and Evaluation
- 6.600: Charter School Autonomy
- 6.700: Charter School Intervention
- 6.800: Charter School Renewal
- 6.900: LEA as Sponsor
