“The Ethics of Assisted Dying”

Presented by **Ronn Huff**,
Director of Clinical Ethics Education – HCA

Since 2001, Ronn Huff has served as the Director of Clinical Ethics Education for HCA's 160+ hospitals nationwide. Additionally, he provides case consultation services, corporate policy development, and serves on multiple clinical ethics committees in the greater Nashville area. His current area of focus is on the development and implementation of proactive ethics initiatives that intersect patient rights and patient safety.

Please RSVP by August 10 to Terri Lawson at tlawson@holdenlawoffice.com
