Reference No.:

County:

On _____, we received a baseline Critical Path Method (CPM) schedule. This schedule identifies and includes the required information stated in the *Tennessee Department of Transportation Standard Specifications for Road and Bridge Construction* **Section 108.03(C)**. Therefore, at this time, the schedule is acceptable to be used as a baseline for measuring progress and monitoring change. It is your responsibility to schedule, sequence, and prosecute the Work to comply with the Contract requirements.
