

## ECOLOGY QUESTIONS – 2016

CONSULTANT SUBMITTED QUESTION	TDOT RESPONSE
<p>If we include subconsultants on DT0330, Part II, Section C (Proposed Team) should we include their complete resumes in Section H (Additional Information)?</p>	<p>Yes, please include subconsultant resumes if you foresee those people will be actively involved in projects. It should be clearly stated that this person is a subconsultant.</p>
<p>DT-0330 Supplemental Questions - Section H.                      Item No. 2 TDOT Projects                      Item No. 3 Southeastern Projects                      Item No. 4 Ecological Studies in Tennessee</p> <p>In all 3 items listed above, it is requested that 10 ecological projects be provided for each item. It additionally states the following: "Briefly describe up to three of these projects your firm has completed in the last 5 years, detailing your involvement." It is unclear if the other 7 projects that are to be listed under each item need to be under the 5 year threshold or if they can be older than 5 years? Please provide clarification.</p>	<p>All projects listed should be under the 5 year threshold.</p>
<p>DT-0330 Supplemental Questions - Section H.                      Item No. 2 TDOT Projects                      Item No. 3 Southeastern Projects                      Item No. 4 Ecological Studies in Tennessee</p> <p>For all 3 Items listed above, it states "your firm" for the 3 projects to be briefly described detailing your involvement. Could any of the other 7 projects to be listed include ones completed by our subconsultants, if we so choose? Please provide clarification.</p>	<p>Projects completed by subconsultants in conjunction with the prime consultant may be included, but the prime firm's involvement should be clearly detailed.</p>
