CONSULTANT SUBMITTED QUESTION	TDOT RESPONSE
<p>For Section H (Additional Information), the main subject for (3) states “<b>SOUTHEASTERN PROJECTS</b>”, but the first line in the description states “. . . .for DOTs in the Southeast. . .”. Please clarify if TDOT means projects completed in the Southeast can be listed for non-DOTs, or if only southeastern DOT projects can be listed. In addition, do these projects have to be State Departments of Transportation, or can they be projects done for city or county highway departments?</p>	<p>Responses should be transportation related. State DOTs or other highway departments can be included in the responses.</p>
