

**NOTICE OF AVAILABILITY FOR THE APPROVED
ENVIRONMENTAL DOCUMENT**

The Tennessee Department of Transportation (TDOT) in conjunction with the Federal Highway Administration (FHWA) has made available for public review an Environmental Assessment for Somerville Beltway, SR-15 (SR-460 PROP), (US-64), Somerville, Fayette County, TN. The proposed project alignment is a result of a concerted effort to minimize adverse human and environmental impacts and to provide a facility able to serve transportation needs into the future. Area residents; acting through their local government and their State legislative representatives, concerned with downtown traffic and economic development, initiated this project.

This environmental document was prepared in accordance with 23 CFR 771 and National Environmental Policy Act of 1969 regulations. The FHWA approved this Environmental Assessment in September 2008. Comments concerning this Environmental Assessment should be submitted in writing to Mr. Jim Ozment within 30 days of the publication of this notice at the address provided below.

The approved Environmental Assessment (EA) is available for public review at the following locations:

Mr. Jim Ozment
