

NOTICE OF AMENDMENT
STATE TRANSPORTATION IMPROVEMENT PROGRAM

The Tennessee Department of Transportation is seeking comments on Amendment #193 to the 2014-2017 State Transportation Improvement Program. Amendment #193 is for Cumberland County project number 1418010 which has a number of changes. The project identification number (PIN) has been changed from 101044.00 to 101044.01. The length has changed from 3.62 miles to 0.87 miles. The beginning terminus is slightly south and the ending terminus is significantly south of the old STIP page termini. The Fiscal Year 2014 construction funds are reduced, as is the total cost. The work description is now “widen” instead of “reconstruct”. The project consists of widening SR-28 from south of SR-68 to south of the bridge over Byrd’s Creek. The project is to be let to contract by TDOT.

The amendment is posted on the Tennessee Department of Transportation web site at <http://www.tn.gov/tdot/article/program-development-stip-amendments-proposed>

The public is being asked to review this document and provide comments to TDOT within 15 days of this publication date. After 15 days, the comments and suggestions will be reviewed and incorporated into the plan as appropriate.

- 1) Send an email: TDOT.Comments@tn.gov
- 2) Write to: Community Relations Division
