

iOS Free Map App Download Instructions

1) Go to iTunes App Store.

Search for **ArcGIS** and **Install** for free.

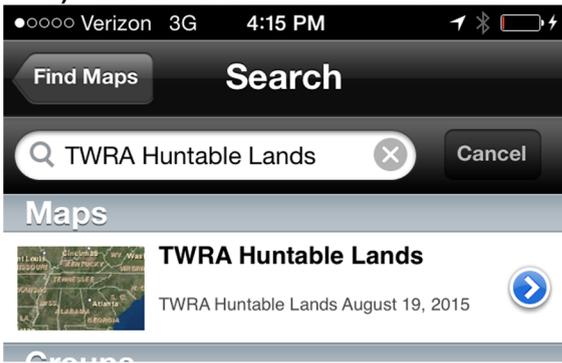

2) On the Find Maps page, click the **Magnifying glass**.

Do not tap ArcGIS Online

3) Search for TWRA huntable lands

If you click the blue arrow you will see a screen that has this arrow:  in the top right corner. Clicking it will allow you to save it to favorites. On the home screen of the app you will see My Favorites Your maps will now be here:

4) Click on the small map image to view the map.

iOS Free Map App Usage Instructions

The following is an explanation of the buttons on an iOS device:

Go back to the main map index page.

Tools such as measuring distance or area.

Search for a location (such as Dayton, TN).

Zoom to your current GPS location.

Information about the map including the map Legend, Content (where you can change the background base map i.e. **Streets or Topo**)

From any of these screens, choose the **Map** button to return back to the map.
