

TENNESSEE DEPARTMENT OF AGRICULTURE
Consumer & Industry Services Division
436 Hogan Road, Nashville, TN 37220

TN USDA SCRAPIE TAG ORDER FORM INSTRUCTIONS:

- 1. New Order:** Never received Scrapie tags for your flock and do not have a flock ID.
- 2. Flock ID:** Flock ID will be assigned on new tagorders.
- 3. National Premise Identification:** Not necessary to obtain Scrapie tags, but a Premise ID is needed for ordering 840 RFID tags.
Requests for Premise identification:
<https://www.tn.gov//content/dam/tn/agriculture/documents/animalhealth/AgBusTpissignup3.4.19formfields.pdf>
- 4. Contact Information:** Please add Primary Contact if using as farm name and Email address if available (email is only used to send you information regarding scrapie and is NOT shared).
- 5. Farm Address:** Location of animals
- 6. Shipping address:** Only needed if different than farm address (P.O. Box acceptable)
- 7. Sheep/Goats:** Check all that apply
- 8. Breed Association:** Check box only if animals are registered in your name. List registry prefix assigned to you.
- 9. Number of Tags Requested:** USDA will distribute up to 100 free scrapie tags for first time orders or 2 year supply (whichever is less)
If more than 100 scrapie tags are needed, the tags can be ordered from a private vendor.

Call 1-866-USDATAG, Fax to 615-781-5309, email to VSTN@aphis.usda.gov (subject Scrapie)
