Other Information:

Date Ordered	Date for Tag Delivery:
---------------------	-------------------------------

New Order : Never had tags before - ever
Re-order - If you have had scrapie tags before in TN.

If you have had tags in a different state please note that in the comments

Flock ID: If **Re-order** please enter if known. If unknown it can be searched
If new order a **Flock ID will Be Assigned**

National Premise ID: assigned by State Veterinarians office 615 -837-5120
Not necessary to obtain Scrapie tags but need for microchips, RFID, cattle or hog tags. We encourage you to get one.

Farm Address : Where animals are located

Shipping Address : if you want/need tags to be shipped to a
different address than your farm address i.e. PO Box

Sheep, Goats or Both : check any that apply

Email: not necessary but helpful to send your Flock ID and other info

Breed association : only check box if animals are registered (to you/
in your name) and list registries and registry prefix (assigned to **you**).

Number of Tags Requested : 2-3 year supply
