

<b>The Emergency Food Assistance Program (TEFAP)</b>		
<p><b>TDA utilizes 5 food banks and 19 community action agencies to distribute TEFAP foods. In all counties except Davidson, both a food bank and a community action type agency serve the county. With the exception of Davidson Co, you may call the community action type agency serving your county for eligibility and application information. You may also contact the food bank listed for your county to find out if a pantry in your area is distributing commodity foods.</b></p>
