Bid Opening Online Public Access

There will be an online video meeting for each of the timber sale bid openings.

Each session will start an hour before the actual time of the meeting so any technology issues can be worked out. Participants are advised to take advantage of this lead time to test their connection.

There is a unique password and unique link for each of the sessions. This is an extra security measure to dissuade attackers rather than keep out the public.

A link to the TEAMS meeting will be available on the State Forest Timber Sales webpage by noon the day prior to the bid opening - <https://www.tn.gov/agriculture/forests/state-forests/state-forest-timber-sales.html>

STATE FOREST TIMBER SALE INFORMATION

Each year stands of timber are selected to be harvested on the State Forests to maintain healthy forests or harvested to start a new forest cycle that maintains a healthy tree age and habitat distribution across the forests.

Tennessee's State Forest resources are utilized and managed for the citizens of Tennessee for multiple uses. These forests are managed according to the state laws and rules found in the Tennessee Code Annotated, Title 11, Chapter 4; and Rules, Chapter 0080-07-01, Protection of the State Forests. Additionally, professional foresters manage the resources according to scientific forestry principles for their sustained use.

In the process of managing for healthy and sustainable forests and the utilization of the resources that are found on the State Forests, the State regularly harvests timber. Harvests are generally administered through timber sales and these sales are governed by the procedures outlined in General Services Rule 0690-2-1-.18 (a), Disposal of Forestry Products. Basically, the removals of regularly scheduled harvested timber are sold through a sealed bid process with the timber going to the highest bidder. The Purchaser and the State then enter a Timber Sales Contract that outlines the terms and conditions of the sale and removal of the timber. By rule, all scheduled sales require the collection from the Purchaser a performance deposit in the amount of 7% of the sale price.
