

## TDA BMP Cost Analysis Project

Date Submitted	County	Project/Cooperator Name
ARCF or 319	Watershed Coordinator	Practice Name and Number
NRCS EQIP Rate and Unit	Payment Schedule Year	Amount Installed to be Paid On and Unit (same unit as EQIP Rate)
Any other description from NRCS or Notes Relevant to Project		

NRCS Payment Rate*	Component	Cost/Unit	Amount	Unit	Total Cost	
						<b>Cost Share Amount</b>
					<b>Total BMP Cost=</b>	
<b>***For Data Reviewer Calculation only***</b>			<b>Actual Installation Cost per Unit=</b>			

\*If practice has a payment rate for multiple components, if not, line on top is sufficient. Example, a Heavy Use Area (561) has payment rates of \$4.27 for Reinforced concrete, no curb **AND** \$1.07 for Rock/Geotextile that are both included when calculating an estimate; Exclusion Fencing (382A) is 1.91 for barbed wire fencing with the fencing being the only component.
