## Examination Payment and Scheduling Procedures

Certification Examination Fee \$25

License Examination Fee \$150

NOTE: EXAMINATION FEES ARE NOT REFUNDABLE OR TRANSFERABLE.  
THE EXAMINATION FEE IS VALID FOR ONE YEAR FROM THE DATE OF PAYMENT

Registration:

You may register for your exam via TNDA's registration portal at:

<https://www.tn.gov/agriculture/businesses/pesticides.html>

Internet registration is available 24 hours a day.

- Fill out the information on the registration form provided. You will be asked to put in your email address and the spelling of your name exactly as it is shown on your identification that will be presented at the start of your exam.
- You will be asked to select the examination(s).
- You will need to enter your personal and contact information.
- You will then be ready to pay and schedule for the examination(s).
- Certification exams are available immediately after you register.
- License exams are available after review of your registration information by TNDA staff.

# Exam Availability

Everblue's exam system is available 24/7 on demand and does not require a candidate to schedule a time for their exam session. When you register and pay, you are paying for a single attempt of an exam.

- FOR CERTIFICATION EXAMS: you will have immediate access to attempt your exam after completing the registration process. Certification exam candidates will receive login instructions for their exam during the registration process.
- FOR LICENSURE EXAMS: you will have access to your exam attempt after your application is reviewed by TNDA staff. Application reviews may take up to 30 days. License exam candidates will receive login instructions for their exam by email after the application review is complete.
- You can start the exam anytime within one year.
- You can start your exam anytime (24/7).
- Once you start an exam attempt, you must complete the exam during the allotted time (e.g. 2 hours). You will see a clock on your screen showing you the time remaining.
- You can take the test from any quiet location (home or office) using a computer with a webcam.

## EXAMPLE:

- Phil Smith registers and pays for an exam on April 1.
- Phil has until March 31 of the following year to access his exam and can do so anytime (24/7) during that window. There is no scheduling required.
- On April 6, Phil logs in to make sure he can access the exam system, but does not begin his exam.
- On April 8, Phil logs in again, proceeds through the proctoring process to start his test, and begins his exam. Once he has started the test, he has two hours to finish. He answers all questions and submits his exam for grading two hours later.
- Phil originally had one year to take his test, but he used his single attempt at the exam on April 8. If logs back in on April 13, he will not be able to re-attempt the exam.

# Score Reporting

Immediately after submitting results, candidates will find out whether they failed or provisionally passed their exam. Immediate results are provisional and NOT final.

Proctoring review and results will be transmitted to TNDA. From there, TNDA will notify candidates via postal mail when their results are final. This may take 10-14 days to allow for proctoring review, processing and USPS mail delivery.

## Exam Accommodations

Everblue will provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and every reasonable accommodation will be made in meeting a candidate's needs. Candidates who require special accommodations will need to contact TNDA via email at [TN.Agriculture@TN.gov](mailto:TN.Agriculture@TN.gov) for more information.

## Exam Emergencies

In the event an unforeseen emergency occurs during an exam session, please contact Everblue at [tn.pesticide@everbluetraining.com](mailto:tn.pesticide@everbluetraining.com) or 888-502-8151.

## Security Procedures

Your exam will be remotely proctored. All examinations are closed book. Before accessing your exam, you will need to:

- give access to your computer's webcam, screen, microphone, and other system data.
- show the front of your government issued ID.
- be in front of a computer in a well lit room.
- be prepared to scan the room with your computer webcam.

During your exam, you will be prevented from accessing the full functionality of your computer and the internet in order to protect the security of the exam. If you attempt to evade these limits, the software may eject you from your exam.

You should take your exam in a quiet room by yourself. You are not allowed to:

- have your electronic devices in the same room as you during the exam. For example, the presence of a smartphone during an exam is grounds for failure, regardless of the use of that phone.
- wear a hat during your exam. Your face must be clear at all times.
- access external materials such as purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.
- communicate with anyone else while taking your test.

In addition to software security, all exams are reviewed by human proctors. Suspicious behavior will be documented and reviewed by TNDA for possible sanction. Any candidate possessing prohibited items in the examination room shall immediately have his or her test results invalidated.

# Computer System Requirements

1. You need to use a regular computer (Windows/MacOS computer or laptop). You cannot take the exams from mobile or tablet devices (e.g., iPhone, iPad, Android device, etc).
  - o Mac Users: You will need to grant screen sharing permissions in your Security and Privacy settings.
2. You will need to have Internet Speed Upload: 1 Mbps and Download: 2 Mbps. Tethering and Hotspots are not supported.
3. You will need at least 2GB free RAM on your computer.
4. You need a working computer webcam and microphone (depending on the options your instructor has selected)
5. You need to use a mouse or mouse/track pad to answer the questions.
6. You must use Google Chrome web browser & the Proctorio Extension. Install the Proctorio extension for Google Chrome. It takes less than 30 seconds. The exam that requires Proctorio will usually prompt you to install the extension if you need it.
7. Have a photo ID card available. Depending on the settings your instructor has used for the exam you may be asked to hold up your ID to document you are the test taker.
8. Be ready for room scans. Again, depending on the settings on your exam Proctorio may ask you to do a room scan; turning your web camera in a 360-degree pan to look at the room. Proctorio may ask more than once if the program hears noises - the application is trying to ensure there is nobody else in the room. Using Proctorio is fairly simple. Proctorio walks you through the process as you're taking the exam, so you do not need to refer to any instructions while you're using Proctorio.

## Commerical Certification Pesticide Applicator Information Sheet

The Tennessee law requires certification for anyone applying, buying or selling a restricted-use pesticide or must work directly under the supervision of a certified applicator. It also requires commercial certification for all solicitors and technicians working for pest control companies. The application of pesticides for a fee requires licensing and a pest control charter.

### Commerical Certification:

Certification testing is accomplished through a link on the TDA web page ([www.tn.gov/agriculture/business/pesticides.html](http://www.tn.gov/agriculture/business/pesticides.html)) The fee for each exam is \$25.00.

Study materials are available from the University of Tennessee Agricultural Extension Service for a fee. It is strongly recommended that you study this material thoroughly prior to taking the exam. More information is available on the UT, Dept. of Entomology & Plant Pathology web page located at <http://psep.utk.edu>

TDA will reciprocate certification with other states, when possible. Obtain a reciprocity form from the internet and complete according to the instructions. Applicants will not receive reciprocal certification unless a current home address and social security number are provided. This form can be downloaded at <http://tn.gov/agriculture/> click on **Pesticide forms**. There is no fee for reciprocity.

It is your responsibility to maintain your Tennessee certification by accumulating recertification CEU's. Recertification CEU's are assigned per category. The CEU's are pre-assigned by the following agencies:

**Industry Training:** Certification & Licensing Section, Tennessee Department of Agriculture, Porter Building, PO Box 40627, Nashville, TN 37204, phone number (615) 837-5404, e-mail: [phil.hurst@tn.gov](mailto:phil.hurst@tn.gov) or [richard.strickland@tn.gov](mailto:richard.strickland@tn.gov) at (615) 837-5523.

**Educational Institutions:** Pesticide Safety Education Program (PSEP) , University of Tennessee, 2431 Joe Johnson Dr, 205 PSB, Knoxville, TN 37996-4560, phone number (865) 974-7958 email: [dhensley@utk.edu](mailto:dhensley@utk.edu)

The primary purpose of continuing education is to further enhance the skills of applicators and routinely update your knowledge as new information and technologies become available.

Individuals may check their point status on the TDA website. You may login with your ID number, or last name. The address is <https://healthspace.com/clients/tda/state/weblive.nsf/pesticides.xsp> and click on Commercial Applicator Points.

### **Additional Requirements for Commercial Recertification:**

Individuals may accrue all of their CEU's by attending external meetings in their category of certification. You may earn no more than 75% of your point total by attending any one external meeting. **All CEU's cannot be accrued in one year.**

In-house CEU's will be limited to 50% of your total point requirement during the recertification period. All training must be submitted to the office no later than **30 days prior** to the date of the training session. Those approving certification training reserve the right not to grant CEU's for training submitted late. An announcement of the training date, time, place and CEU's assigned per category will be placed on the Tennessee Department of Agriculture's and the University of Tennessee Agricultural Extension Service, Dept.of Entomology & Plant Pathology web sites located at <http://tn.gov/agriculture> and <http://psep.utk.edu> Rosters must be submitted into TDA no later than **30 days** after training. All trainings are based on one hour of certification related topics.

The following qualifies as in-house training: Internet training (including, but not limited to) computer-based training and training that is covered by employees of the company applying for the CEU's.

The sponsor must agree to permit representatives from the Department of Agriculture and/or UT employees to attend training sessions without registration fees or costs.

After attending a training session The Tennessee Department of Agriculture or the University of Tennessee Agricultural Extension Service, upon consultation between these two agencies, training and CEU assignment may be re-evaluated. CEU assignment may be withdrawn or revised as deemed necessary.

**CEU's are not carried over from one recertification period to the next.**

#### **Assignment of CEU's:**

Recertification CEU's will be allowed only for approved topics in your category related to pests, pest control, WPS, pesticides, pesticide safety, IPM, environmental issues (water quality, endangered species, etc.) pesticide laws and regulations. Safety, environmental issues, and laws, IPM and regulations apply to all categories for assignment of CEU's. CEU's will not be assigned to individual videos.

Programs submitted should include the following information. A list of topics, speakers (with their titles) and length of each topic to be presented. Sponsors shall provide biographical information on instructors or other program participants upon request. An application form, E&PP info #82, should be used, when the meeting sponsor applies for CEU's. A list of dates and locations for the year must be included on the application for repeated meetings.

\*\*\*\*\*

#### **Note:**

If the required number of CEU's are not accrued , a recertification exam will be required the third year. It is your responsibility to contact the Nashville office if you have a name or address change.
