

TAEP Genetics – Goats/Sheep – Bred Does & Ewes

2025-2026 TAEP Application A

50% Cost Share – Maximum Reimbursement - \$3,000*

* December 2025 – cost share maximum increased from \$2,000 to \$3,000

The amount of payment is based upon 50% of expenses incurred for eligible program items up to the program maximum.

Applicant Responsibility

It is the applicant's responsibility to review all TAEP program requirements prior to applying for cost share. Applicant must qualify for program selected at time of application to be considered for approval.

- [Educational Requirements](#)
- [Reimbursement Requirements](#)
- [Verification Requirements](#)
- [Applying for TAEP](#)

Minimum Requirements

Goats/Sheep – 50 head

Applicant must meet minimum requirement of head of livestock for program.

Head of Livestock = maximum number of single type, regardless of sex or age, at any one time during the last 12 months.

Goats/Sheep can be combined to meet minimum head requirement.

Verification of minimum requirements may be requested prior to approval.

Eligible Items

Buyer must communicate with the seller prior to purchasing to ensure the bred doe/ewe meets all TAEP eligibility requirements. *Bred does/ewes that do not meet all eligibility requirements between October 1, 2025 and **date of purchase** will be denied cost share reimbursement.*

1. **Bred does** — \$500 per doe
2. **Bred ewes** — \$500 per ewe
