

---

**TAEP Working Structures & Fence-line Systems**  
**Permanent Working Cover Project**  
**Reimbursement Maximum per Square Foot**

---

Up to \$4.00/ sq. ft.

**Total reimbursement will not exceed program maximum.**

---

**Example Project:**

*Material/Labor cost is for example use only and may not reflect actual cost of structures.*

Structure size = 20 x 40 (800 sq. ft.)

Structure Size = 40 x 60 (2400 sq. ft.)

Material/Labor Cost = \$10,000

Material/Labor Cost = \$20,000

**Example Payment Calculations:**

$\$10,000 \div 800 \text{ sq. ft.} = \$12.50 / \text{sq. ft.}$

$\$18,000 \div 2400 \text{ sq. ft.} = \$7.50 / \text{sq. ft.}$

---

**Example #1**

---

**Example #2**

$\$12.50 \div 2 = \$6.25 (\$4.00 \text{ max})$

$\$7.50 \div 2 = \$3.75 (\$4.00 \text{ max})$

$800 \text{ sq. ft.} \times \$4.00 = \$3,200$

$2400 \text{ sq. ft.} \times \$3.75 = \$9,000$

(exceeds program maximum)

---

**Example Reimbursement Amount**

**\$3,200**

**\$5,000**

---

# TAEF Working Structures & Fence-line Systems

## Permanent Working Cover Project

### Payment Estimate Worksheet

$$\text{Barn Size} = \frac{\text{Length}}{\text{Length}} \times \frac{\text{Width}}{\text{Width}} = \frac{\text{Square Feet}}{\text{Square Feet}}$$

$$\text{Total Cost} = \frac{\text{Total of all eligible items}}{\text{Total of all eligible items}}$$

*Common ineligible costs include flooring (concrete, gravel and/or geotextile), material overrun costs, project management fees, pallet charges, sales tax, site preparation, and surcharges. Invoice revisions will not be accepted.*

$$\frac{\text{Total Cost}}{\text{Total Cost}} \div \frac{\text{Square Feet}}{\text{Square Feet}} = \frac{\text{Cost per Square Foot}}{\text{Cost per Square Foot}}$$

$$\frac{\text{Cost per Square Foot}}{\text{Cost per Square Foot}} \div \frac{\mathbf{2}}{\mathbf{2}} = \frac{\text{Reimbursement per Square Ft.*}}{\text{Reimbursement per Square Ft.*}}$$

$$\frac{\text{Square Feet}}{\text{Square Feet}} \times \frac{\text{Reimbursement per Square Ft.*}}{\text{Reimbursement per Square Ft.*}} = \frac{\text{Payment Estimate**}}{\text{Payment Estimate**}}$$

**\* Not to exceed \$4**

**\*\* Payment Estimate is not to exceed maximum approval of \$5,000.**
