Application for registration as qualified serviceperson, in T. C. A 47-26-1101 et. seq., approves Service People to remove "Rejection Tags", and repair or calibrate weighing and measuring devices. A licensed Service Person will ensure a Placed in Service Report is sent in to TN Department of Agriculture on all newly installed weighing and measuring devices within 24 hours.

I hereby agree that if this application is approved, I will not remove a Rejection Tag from a device nor issue a "Placed In Service Report" unless I find, as a result of inspection and test, that the device meets all of the requirements of the most current edition of NIST Handbook 44. I further agree that the Tennessee Department of Agriculture may revoke my Registration for just cause after hearing thereon. Should my registration be cancelled, I will surrender my Registration Certificate to the Department immediately.

By submitting this license renewal for a Tennessee Service Person license, I certify that the information contained in this application is true and accurate to the best of my knowledge. I certify that I am at least 18 years of age; that I am a citizen of the United States of America; and that I can accurately repair or calibrate weighing and measuring devices and fuel dispensers.
