

Application for Commutation

I, _____, am hereby applying for a commutation of a non-capital sentence, and I understand that I must meet all of the Governor's criteria.

I further understand that meeting the requirements set forth in these guidelines is merely a threshold inquiry in the consideration of commutation relief. The final determination of whether a commutation will be granted lies in the discretion of the Governor after a review of the petition and any non-binding recommendation of the Board. This commutation review process is not intended to serve and will not serve as a review of the proceedings of the trial court or the guilt or innocence of the applicant.

All commutation petitions must be received by the Board by July 1, 2022 to provide adequate time for review and any necessary hearings before the end of the Governor's term.

In order to provide guidance to the Board in reviewing commutation petitions and in making its non-binding recommendations to the Governor, the Governor has established the following criteria:

COMMUTATIONS (NON-CAPITAL SENTENCES)

1. The Governor will give serious consideration to commutation requests where the petitioner has demonstrated that:
 - a. The petitioner has made exceptional strides in self-development and self-improvement and would be a law-abiding citizen upon release and:
 - i. Petitioner is suffering from a life-threatening illness or has a severe chronic disability, said illness or disability is supported by appropriate medical documentation, and the relief requested would mitigate said illness or disability; or
 - ii. Petitioner's parent, spouse, or child has a life-threatening illness, said illness is supported by appropriate medical documentation, and the petitioner is the only person able to assist in the care of such person; or
 - b. The petitioner has been rehabilitated to an extraordinary degree, relative to the nature of the offense(s) committed, will be a law-abiding citizen and positive contributor to society upon release, and has, to the extent age and health permit, a desire and an ability to maintain gainful employment.

2. Petitioners eligible for medical furloughs are excepted from the guidelines of Section 1(a)(i) and 1(a)(ii) above.
