Tennessee Reconnect at Four-Year Institutions

Students enrolling in a health sciences associate degree program will only begin receiving funds once admitted to the actual program of study.

At a four-year institution, the Tennessee Reconnect grant will not be last-dollar, meaning it will not cover all tuition and fees. The amount of funding you will receive will be based on the average amount of tuition and fees at a community college, which is estimated to be \$4,200. As a last-dollar scholarship, Tennessee Reconnect will provide whatever amount remains after your Pell, HOPE, and TSAA funds are applied. For example, if you were to receive \$1,000 in Pell funds, but no other federal or state financial aid, Tennessee Reconnect would provide \$3,200 to cover the remaining amount that you could apply toward tuition and fees at a four-year school.
