

TCAT title slide

So you are a high school senior...

TCAT map slide

...and you are thinking about attending a Tennessee College of Applied Technology after graduation. So how do you apply for grants and scholarships?

2020-21 FAFSA slide

You and your parents will need to complete the 2020-21 FAFSA available October 1st which will ask questions about 2018 income...

TCAT slide

...once completed, you may be eligible for money from the Pell Grant and TSAA, or the Tennessee Student Assistance Award, which are grants based on your family's income. As a Tennessean, you should be eligible for Wilder-Naifeh which is money specifically for TCAT students. Then, there's TN Promise which will cover any tuition unmet by Pell, TSAA, and Wilder-Naifeh. This means you can attend a TCAT tuition free. So is there anything else you need to do...

Promise Checklist slide

Yes, for TN Promise, high school seniors have four things to do this school year: you must complete the TN Promise application by November 1, the 2020-21 FAFSA by February 1, attend a meeting in the spring, and finally complete 8 hours of community service by July 1.
