NOTICE OF CANCELATION

December 31, 2020

In light of the ongoing recovery from the Christmas Day explosion in Nashville, the Tennessee Emergency Communications Board has decided to postpone hearing from AT&T representatives and cancel the specially-called meeting for Monday, January 4, 2021. This decision is intended to allow AT&T to prioritize the needs of affected Tennesseans and focus its resources on continuing to restore service and repair its facilities. The regularly-scheduled meeting for February 3, 2021 will continue as planned with the expectation that AT&T representatives will be in attendance to provide updates and respond to questions at that time.
