

Excellence in Community Risk Reduction Award Application 2023

The Goal of this Award is to recognize a Fire Department who has created, implemented, and monitored a successful **Community Risk Reduction** Initiative.

A Great Application will:

- Identify and prioritize risks
- Show methodology of how these risks were identified and prioritized
- Show what strategies were created to mitigate these risks
- Identify partners and resources needed for program implementation
- Explain metrics for evaluating the program’s successes and weaknesses
- If applicable, show examples of how the plan has been monitored, evaluated, or modified
- If applicable, acknowledge strengths and weaknesses of the original plan

Resources: For resources on creating a CRR program, visit the Tennessee State Fire Marshal’s Office CRR Webpage <https://www.tn.gov/commerce/fire/prevention-education-and-outreach/community-risk-reduction.html>

Applications must be received by **August 19th, 2023**. Completed applications and CRR plans can be sent to Amy Jennings at amy.jennings@tn.gov

Judges: A team of Experts on CRR with no affiliation to the Tennessee State Fire Marshal’s Office will score applications. Winners will be presented Awards at the Tennessee Fire Loss Symposium (TFLS).

All applicants should be prepared to present their CRR Plan at the Fire Loss Symposium October 26, 2023 in Kingsport, TN

Fire Department: _____
