Instructions:

Section A - Always Complete This Section

Section B - Only Complete This Section if Project is in an Exempt Jurisdiction

Section C - Only Complete This Section if You Are Requesting or Have Requested a "No Review Required" Letter

A (Complete for All Projects)

Estimated Cost of Cost of Construction (Estimate all costs except site work and excavation)

Fee Based On This Rounded Up Amount

(Estimated Construction Costs are rounded up to the nearest \$1,000.00)

Fee for first \$1,000,000 at \$2.50 per thousand

Fee for costs over \$1,000,000 at \$2.00 per thousand

B (Complete if Project is in an Exempt Jurisdiction)

State Building, Educational Occupancy and Daycare Projects in EXEMPT JURISDICTIONS may have the Review Fee reduced by one-half.

The University of Tennessee does not receive a fee reduction, even when the project is in an Exempt Jurisdiction.

The following Exempt Jurisdictions do not receive a discounted Review Fee:

Brentwood, Clarksville, Gatlinburg, Goodlettsville, Lebanon, Murfreesboro, Pigeon Forge, Sevierville, White House, the following areas of Nashville/Davidson County: Oak Hill, Bell Meade, Forest Hills, and Berry Hill, and the following areas of Shelby County: Arlington and Lakeland

If the project is prototypical of a previously approved project, select "Prototypical" in the dropdown menu.

If the project is in an exempt area, please select the applicable Jurisdiction in the dropdown menu on the right: (after changing, click "Calculate" below)

C (Complete if You Are Requesting or Have Requested a "No Review Required" Letter)
