### **CONCLUSIONS OF LAW**

Tenn. Code Ann. § 56-11-103(d)(1) provides that “the [C]ommissioner shall approve any merger or other acquisition of control [of a domestic insurer] unless, after a public hearing, the [C]ommissioner finds that:

- (A) After the change of control, the domestic insurer . . . would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;
- (B) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this state or tend to create a monopoly in this state. In applying the competitive standard in this subdivision (d)(1)(B):
  - (i) The informational requirements of § 56-11-104(c)(1) and the standards of §56-11-104(d)(2) shall apply;
  - (ii) The merger or other acquisition shall not be disapproved if the [C]ommissioner finds that any of the situations meeting the criteria provided by §56-11-104(d)(3) exist; and
  - (iii) The [C]ommissioner may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time;
- (C) The financial condition of any acquiring party is such that it might jeopardize the financial stability of the domestic insurer, or prejudice the interest of its policyholders;
- (D) The plans or proposals that the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any

other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the [domestic] insurer and not in the public interest;

---

- (E) The competence, experience and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or
- (F) The acquisition is likely to be hazardous or prejudicial to the insurance buying public.”

Applying the standards delineated in Tenn. Code Ann. § 56-11-103(d)(1)(A)-(F) to the Merger Transaction, as established by the testimony at the public hearing and the filings made in this matter, the Findings of Fact contained herein, and the record taken as a whole, the Merger Transaction meets the statutory standards for approval by the Commissioner.
