Date: November 2, 2021

RE: Reporting Required by Tenn. Code. Ann. § 68-102-114

Insurance companies are reminded to submit the required annual report of all fire losses on property insured in Tennessee on or before **February 1, 2022**. The report should cover all losses between January 1, 2021 and December 31, 2021. The Commissioner will accept reports from insurance companies made through the ISO ClaimSearch © database, which meets the reporting requirement. Insurance companies are also free to submit their reports directly to the Department through Greg.Adams@tn.gov.

Authority is given to the Department through Tenn. Code Ann. § 68-102-114, which requires insurance companies transacting business in Tennessee to report annually all fire losses on property insured in Tennessee. The Commissioner and State Fire Marshal may contact insurance companies for additional data relating to the reports filed if the information reported is not sufficient or complete. The statute above sets forth the information required, so please review the statute when completing the reports.

Please contact Greg Adams at Greg.Adams@tn.gov or by phone at (615) 532-5844 if you have any questions or if you need additional information.
