Ambetter of Tennessee Updates

- New for 2026: Members get 20% off eligible Walgreens-branded health and wellness products.
- New for 2026: Ambetter Health Solutions off-exchange plans will be available for plan year 2026.
- Find a Provider has been redesigned for an enhanced user experience.
- Members should download the **Ambetter Health app**.
- Members can earn **My Health Pays rewards**, for completing various activities, like completing an annual wellness exam, and redeem them for health-related expenses.
- With **Ambetter Perks** members are eligible for perks on travel, technology, food and dining, and exclusive discounts on things like movie tickets, attractions and tours, and more.
- With **Virtual 24/7 Care** members can get medical advice, a diagnosis or a prescription for non-emergency health issues when needed.

Low Income Special Enrollment Period

As of August 25, 2025, members at or below 150% FPL are no longer able to change plans and/or issuers monthly, across all Exchanges.

- Members will need to enroll during the annual OEP.
- Members may still make plan changes in 2026 if they experience a different qualifying life event, which would make them eligible for a SEP.
- This provision does not apply to federally recognized tribal members.

Enhanced Advance Premium Tax Credits

Enhanced Advance Premium Tax Credits (eAPTC) are expiring on Dec. 31, 2025 and will not be available on 2026 plans.

eAPTC made tax credits available to households with incomes above 400% FPL.

- Members who lose eAPTC's will see an increase in their monthly premiums.
- Traditional APTC's (100-400% FPL) will remain in place for 2026 plans.

Make sure your clients understand how their premium is impacted and be ready to help!
