B U L L E T I N

TO: All Agent Education Providers
FROM: Elaine A. McReynolds *EAM*
Commissioner
RE: Correspondence or Self-Study Programs
DATE: January 31, 1992

Some agent education providers have been offering one day seminars or other supervised classroom activity of less than 25 hours duration in association with correspondence or self-study programs. It is the Department's position that as of this date every correspondence or self-study program approved by the Commissioner is to be completed by the agent alone. Supervised classroom activities do not fall within the scope of correspondence or self-study programs and such activities are prohibited. Any courses previously submitted which include any combination of self-study and classroom activity should be immediately withdrawn.

Any further questions on this matter may be directed to Mr. T. A. Patterson, Director of Agent Licensing, at 741-2693.
