DOCTORS INSURANCE RECIPROCAL RECEIVER'S MOTION FOR THE COURT
TO ACCEPT AND APPROVE NUMEROUS FINAL DETERMINATIONS AS TO
ENUMERATED CLAIMS

I. Introduction

Julie Mix McPeak, as Commissioner of the Tennessee Department of Commerce and Insurance, in her capacity as Liquidator of Doctors Insurance Reciprocal (RRG) in Liquidation ("DIR"), and through her appointed Special Deputy Receiver, moves the Court, under T.C.A. §56-9-331, to accept and approve, as final, the determinations made as to the claims set forth in **Exhibits A, B and C** attached hereto. As to three (3) claims set forth in Exhibit A, the DIR Receiver also requests approval to distribute 100% of the approved claim amounts because those three (3) claims have been determined, upon review, to be Class 2 claims. **Exhibit B** sets forth the final Class 6 claim determinations for which acceptance and approval are sought. The remainder of the claims for which acceptance and approval are sought are Class 7 claims and are set forth in **Exhibit C**. This Motion does not request approval of a distribution, pro rata or

otherwise, as to the approved Class 6 or Class 7 claim amounts set forth in **Exhibits B** and **C**, but rather only seeks approval of the listed Class 6 and Class 7 claims and the respective approved claim amounts presented, so that they will be established and ready for distribution, if any, upon later motion to, and order of, the Court.

II. Discussion

a) Three Class 2 Claim Determinations Set Forth in Exhibit A

The Special Deputy Receiver had originally determined that three particular claims – POC Nos. 2692, 2693 and 2863 – were late-filed and thus were classified as Class 7 / Late-filed. The claimants objected to that late-filed classification. But for the position of the Special Deputy Receiver that those claims were late-filed, each of these three (3) claims were policyholder-based claims and thus would have been considered as Class 2 claims.

The claimants, through their objections to the Class 7 classification, presented argument and evidence that supported their respective positions that their claims should be considered as timely-filed. Also the approved amounts at issue in the three claims gave the Special Deputy Receiver pause as to whether the costs of further litigation over the classification objections would be in the best interest of the DIR Liquidation Estate. Accordingly, and under the authority provided under T.C.A. § 56-9-327(b), the Special Deputy Receiver reached agreements with those claimants which resulted in the alteration of the previous claim determinations and the issuance of amended Notices of Determination acknowledging the claims as Class 2 claims at the agreed amount set forth in those amended Notices of Determination. The amended Notices of Determination for POC Nos. 2692 and 2693 were issued on August 11, 2015. The amended Notice of Determination for POC No. 2863 was issued on October 12, 2015. The thirty (30) day period allowed under T.C.A. § 56-9-327(a) having expired, the amended Notices of Determinations for POC Nos. 2692, 2693 and 2893 are now final.

Presently, there is one DIR Class 2 claim that has not been liquidated and has not been presented to the Court for approval or disposition otherwise – POC No. 2921 submitted by a Dr. Michael Wheelis. The approval and payment of POC Nos. 2692, 2693 and 2893 as Class 2 claims do not present any issue of the DIR Liquidation Estate not having funds sufficient to pay the Wheelis claim (POC No. 2921). The Wheelis claim – and its unliquidated status – may well be a matter for further discussion with, and order of, the Court. But payment of POC Nos. 2692, 2693 and 2893 (*see Exhibit A*), would not jeopardize having funds available to pay the Wheelis claim, in its full claimed amount, if such is the ultimate disposition of the Wheelis claim.

The three (3) Class 2 claims listed in **Exhibit A** to this Motion have been finalized and are ready to be accepted by the Court and paid once an order from the Court allowing such has become final. Pursuant to T.C.A. §56-9-331, the DIR Receiver recommends that the Court (1) accept this report as to those claims set forth in **Exhibit A**, (2) approve the final claim amounts listed for these claims and (3) order that such claims be paid once said order becomes final under the applicable rules of civil procedure (*see Request for Rule 54.02, Tenn. R. Civ. P. certification, infra*).

b) Class 6 Claim Determinations Set Forth in Exhibit B

The Class 6 claims (i.e. claims by state or local governments) set forth in **Exhibit B** are claims that have been reviewed and adjudicated with final recommended claim amounts (which at times are \$0.00) set forth. The DIR Receiver urges the Court to accept this report of final claim amounts and to approve the determined claim amounts for the Class 6 claims listed in **Exhibit B**. Such acceptance will advance these proceedings – all that will remain concerning the attached Class 6 claims will be a request from the DIR Receiver for payment/distribution, pro rata or otherwise, upon determination of whether funds are available for Class 6 claim payments. The Class 6 claim determinations set forth in **Exhibit B** represent determinations that have either

not been objected to (and thus are final) or have been objected to with the objection addressed to final disposition. Accordingly, they are ripe to be presented as the final approved claim amounts for the listed Class 6 claims. Pursuant to T.C.A. §56-9-331, the DIR Receiver recommends that the Court accept this report as to the Class 6 claims set forth in **Exhibit B** and approve the final claim amounts listed for these claims.

c) **Class 7 Claim Determinations Set Forth in Exhibit C**

The Class 7 claims set forth in **Exhibit C** are late-filed claims that have been reviewed and adjudicated with final recommended claim amounts (which at times are \$0.00) set forth. The DIR Receiver urges the Court to accept this report of final claim amounts and to approve the determined claim amounts for the Class 7 claims listed in **Exhibit C**. Such acceptance will advance these proceedings – all that will remain concerning the attached Class 7 claims will be a request from the DIR Receiver for payment/distribution, pro rata or otherwise, upon determination of whether funds are available for Class 7 claim payments.

Each of the Class 7 claims listed have had determinations issued from the DIR Special Deputy Receiver. Those determinations have either not been objected to (and thus are final) or have been objected to with the objection addressed to final disposition. Accordingly, they are ripe to be presented as the final approved claim amounts for the listed Class 7 claims. Pursuant to T.C.A. §56-9-331, the DIR Receiver recommends that the Court accept this report as to the Class 7 claims set forth in **Exhibit C** and approve the final claim amounts listed for these claims.

III. Notice

A copy of this Motion – including the “Setting of Hearing” section – and Exhibits will be mailed, via first class mail, to the claimants (or their counsel) listed in **Exhibit A** and **Exhibit B**. Notice of this Motion will be given to every Class 7 claimant of the DIR Liquidation Estate listed in **Exhibit C** through mailing a postcard, via first class mail, to each claimant’s address as

shown in the DIR Liquidation's records. That postcard notice will inform the Class 7 claimants of the filing of this Motion, the hearing date, time and place, the deadline for response to the Motion, a short description of the relief sought in the Motion and a reference to the Tennessee Department of Commerce and Insurance website where a complete copy of this Motion and Exhibits will be posted. Attached as **Exhibit D** is a template of that "postcard" notice.

Because the Wheelis claim is the sole remaining Class 2 DIR claim and because those claims set forth in **Exhibit A** have now been determined as Class 2 claims, a copy of the Motion and Exhibits will be sent to counsel for Dr. Wheelis. Similarly, a copy of the Motion and Exhibits will be sent to counsel for the Virginia Deputy Receiver who holds pending Class 5 claims in the DIR Liquidation. As to notice to other Class 5 claim holders, and as to notice in general, a copy of the Motion and Exhibits attached hereto will be posted on the Tennessee Department of Commerce and Insurance website as soon as practicable after the filing of this Motion.

IV. Request That Order Granting Requested Relief Be Made Final Pursuant to Rule 54.02 Tenn. R. Civ. P.

This Motion seeks relief that needs to be relied upon in advancing the progression of the DIR Liquidation Proceedings toward further distributions and ultimate closure. But the relief afforded through granting this Motion does not address all matters at issue in the DIR Liquidation Proceedings. In order to provide certainty with regard to the relief granted, the DIR Receiver requests that the Court expressly find that there exists no just reason for delay and that the Order granting this Motion be entered as final regarding the matters addressed in that Order. Rule 54.02 Tenn. R. Civ. P.

V. Conclusion

For the reasons set forth herein, the DIR Receiver requests this Court, pursuant to T.C.A. §56-9-331, (1) accept **Exhibit A** attached hereto as a report and listing of certain Class 2 claims, (2) approve the claim amounts set forth in **Exhibit A** for each such Class 2 claim, (3) approve 100% payment of the Class 2 claim listed in **Exhibit A**, (4) accept **Exhibit B** attached hereto as a report and listing of certain Class 6 claims, (5) approve the claim amounts set forth in **Exhibit B** for each such Class 6 claim, (6) accept **Exhibit C** attached hereto as a report and listing of certain Class 7 claims, (7) approve the claim amounts set forth in **Exhibit C** for each such Class 7 claim, and (8) incorporate the listings set forth in **Exhibits A, B and C** in a final order granting the relief requested herein.
