PREMIER GROUP INSURANCE COMPANY
NAIC # 10800
100 East Vine Street
Murfreesboro, Tennessee 37130

hereinafter generally referred to as the "Company" or "PGIC," and a report thereon is submitted as follows:

INTRODUCTION

This examination was arranged by the Tennessee Department of Commerce and Insurance (TDCI or "Department") under rules promulgated by the NAIC. The examination commenced on June 2, 2015, and was conducted by duly authorized representatives of the TDCI. This examination was called through the NAIC's Financial Examination Electronic Tracking System (FEETS). The Company's ultimate parent is National HealthCare Corporation (NHC). There were no requests from other states to participate on this examination.

SCOPE OF EXAMINATION

The last examination of the Company was made as of December 31, 2011. This examination covers the period from January 1, 2012, through December 31, 2014, and includes any material transactions and/or events occurring subsequent to the examination date which were noted during the course of examination.

The examination was conducted in accordance with rules and procedures as prescribed by the statutes of the State of Tennessee, and in accordance with the NAIC *Financial Condition Examiners Handbook*, as deemed appropriate. The examination was planned and performed to evaluate the financial condition of the Company as of December 31, 2014. The examination sought to identify prospective risks by obtaining information about the Company, including its corporate governance, by identifying and assessing inherent risks within the Company, and by evaluating system controls and procedures used to mitigate those risks. The examination also included assessing the principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation and management's compliance with statutory accounting principles and annual statement instructions.

During planning, all accounts and balances were reviewed to determine which key activities and accounts would be examined. The key activities included: Investments; Premiums/Pricing; Claims; Reserving; Related Party; and Capital and Surplus.

The Company's 2014 annual statement was compared with or reconciled to the corresponding general ledger account balances.

An examination of the Company's information technology general controls (ITGC) was conducted. The examination included a review of management and organizational controls, logical and physical security controls, system and program development controls, contingency planning controls, service provider controls, operations controls, processing controls, e-commerce controls, and network and internet controls.

A separate market conduct review was also performed concurrently with the financial examination.

National HealthCare Corporation (NHC), PGIC's ultimate parent, maintains an Internal Audit Department, which is charged with performing the internal audit function for all companies within PGIC's holding company system. Internal Audit activities focus almost entirely on Sarbanes-Oxley (SOX) compliance testing. The scope of SOX testing included the Company's internal controls over financial reporting. The examiners reviewed the processes tested and requested the work papers for specific processes which had been identified as significant to the key activities and sub-activities being examined. The work papers were provided and were utilized where appropriate.

Independent actuaries, Lewis & Ellis, Inc., were utilized in the review of the company's loss reserves.

The firm of Ernst and Young was the certified public accountant (CPA) and independent auditor for the Company for all years covered by this examination. The CPA's 2014 audit work papers were reviewed and copies were incorporated into the examination, as deemed appropriate.

The Company provided a letter of representation certifying that management has disclosed all significant matters and records.

COMPLIANCE WITH PREVIOUS EXAMINATION FINDINGS

The examination included a review to determine the current status of the comments and recommendations included in the previous report on examination, dated May 16, 2013, and which covered the period from January 1, 2007, through December 31, 2011. The previous full-scope examination report, as of December 31, 2011, contained one (1) comment. The Company addressed the prior exam comment during the course of the previous examination. Below is a description of the prior examination report's comment:

Comment:

The Company did not maintain a complaint register as required by Tenn. Code Ann § 56-8-104(11). Prior to completion of the examination, the Company developed a complaint handling system so that each complaint would be recorded and the date that the complaint was resolved would also be logged. Due to remediation action taken, it was determined that the Company was in compliance with Tenn. Code Ann § 56-8-104(11) at the time of issuance of the report on examination.

REINSURANCE

The Company's reinsurance agreements were reviewed and found to contain the standard provisions for arbitration, cancellation, errors and omissions, exclusions, insolvency, offset, settlement, taxes, and termination. The Company's reinsurance agreements did transfer risk in accordance with SSAP No. 62 and NAIC guidelines. The following summary describes the reinsurance agreements, in effect as of December 31, 2014:

Reinsurance Assumed

The Company assumes Workers' Compensation and Employers' Liability policies written by Zurich American Insurance Company. This business was written to cover healthcare facilities owned or managed by NHC in states other than Tennessee, where the Company was not licensed. Beginning in 2005, the Company ceased assuming business from Zurich American Insurance Company and began writing the policies on a direct basis, as it received licenses in these other states. This treaty remained in run-off as of the examination date.

Reinsurance Ceded

The primary intent of the Company's reinsurance agreements is to manage the Company's overall exposure to loss at or below a level that is within the capacity of its capital resources.

The Company carries an excess of loss reinsurance treaty with coverage of \$9,000,000 in excess of a retention of \$1,000,000 per occurrence. The treaty, originally effective January 1, 2012, indemnifies the Company with respect to the excess liability of any loss which may attach under new or renewal policies in force at the effective date, or issued or renewed on or after that date. This excess policy is written by Premier Plus Insurance Company, Ltd., an affiliated company domiciled in the Cayman Islands and an unauthorized reinsurer.

Premiums payable under this treaty are retained by the Company as collateral for ceded reserves. Total premiums payable were approximately \$1,300,000 and ceded loss and loss adjustment expense reserves were approximately \$1,200,000, as of December 31, 2014.

LITIGATION AND CONTINGENT LIABILITIES

During the period of examination, and as of December 31, 2014, the Company is a party to various pending legal proceedings arising in the ordinary course of business. Based in part upon the opinion of its counsel as to the ultimate disposition of such

lawsuits and claims, Company management believes that contingent liabilities arising from litigation, income taxes, and other matters are not considered material in relation to the financial position of the Company.

STATUTORY DEPOSITS

In compliance with statutory and other requirements, the Company maintained deposits with the named jurisdictions or custodians as of December 31, 2014. Deposits with said jurisdictions or custodians were verified by direct correspondence with the custodians of such deposits.

Recommendations

This violation resulted in a \$2,953,614 decrease to Bonds. It is recommended that the Company liquidate foreign investments, so that its foreign investment holdings are equal to or less than amounts allowed under Tenn. Code Ann. §§ 56-3-402 and 56-3-403. It is further recommended the Company comply with the statutory investment limitations going forward.
2. The Company's Board of Directors does not approve investment transactions in violation of Tenn. Code Ann. § 56-3-408. It is recommended that the Board of Directors approve investment transactions and document this approval in the minutes to the Board of Director meetings.
