# 2006 Tennessee Medical Malpractice Claims Report

## INTRODUCTION

In 2004, the Tennessee General Assembly enacted 2004 Tenn. Pub. Acts ch. 902 which established medical professional liability claims reporting obligations for various reporting entities. (A copy of the 2004 Tenn. Pub. Acts ch. 902 is attached to this report as Appendix A.) This law was codified at Tenn. Code Ann. § 56-54-101. Pursuant to Tenn. Code Ann. § 56-54-101(a), “reporting entities” was defined to include insurance companies that provide medical malpractice or professional liability insurance, as well as health care professionals and facilities lacking medical malpractice insurance. This law was passed after months of testimony and research by the Joint Tort Reform Subcommittee chaired by State Representative Rob Briley and Senator David Fowler. The Final Report prepared by the Subcommittee recommended passage of legislation that would “provide the committee with a clearer picture of the litigation and claim trends in Tennessee...” The Department of Commerce and Insurance (the “Department”) provided testimony to the Subcommittee and actively participated in the development of legislation implementing the Subcommittee’s recommendations.

In general, Tenn. Code Ann. § 56-54-101 requires reporting entities, on or before April 1 of each year, to provide information to the Department concerning the number of medical malpractice or professional liability claims asserted, the amount of damages alleged, any damages paid, the types of paid damages, and legal fees paid. The reporting requirements, as originally enacted, focused on the claims that were closed and pending during each calendar year.

Tenn. Code Ann. § 56-54-101 requires the Department to prepare an annual report for the Speakers of the Senate and House of Representatives summarizing this data each year beginning in 2005 and ending in 2008. The statute prescribes that the report may only contain aggregate data.

As a result of the information submitted by the reporting entities for the 2004 calendar year, the Department issued its first report in November of 2005. The report identified several issues relating additional information that should be reported and the General Assembly modified the reporting requirements in the 2006 legislative session. On May 23, 2006, Tenn. Pub. Acts ch. 774 was enacted which amended Tenn. Code Ann. § 56-54-101 to attempt to refine the information to be collected. (A copy of 2006 Tenn. Pub. Acts ch. 774 is attached to this report as Appendix B.) In general, the amendment added a requirement that reporting entities report on the cumulative amount of costs and expenses spent on pending and closed claims from the “inception date of the claim to the end of the preceding calendar year.” The amendments required that reporting entities resubmit their 2006 reports to capture this additional information by July 1, 2006. All future reports are required to obtain all information and are required to be filed by April 1 each year. Thus, reporting entities were required to file two (2) reports this year: one (1) in April (as required by the original statute) and one (1) in July (as required by 2006 Tenn. Pub. Acts ch. 774).<sup>1</sup> The report to be submitted in July 2006 was expected to contain not only the information submitted previously in April but also was required to include the additional information required by 2006 Tenn. Pub. Acts ch. 774.

---

<sup>1</sup> Seven (7) reporting entities that reported in April did not resubmit a report for July. In those instances the data reported in April has been used in compiling the information for this report. 2006 Tenn. Pub. Acts ch. 774 also restructured the manner in which the legal fees of claimants’ counsel would be reported to the Department beginning in 2007.

Where useful, this report provides not only the aggregate information for 2005, but also shows the information reported for 2004 as a convenience to the reader.

## **I. REPORTING ENTITIES**

The information provided by this report is primarily comprised of information obtained from insurance companies writing medical malpractice insurance in this state. It is important to note that the top ten (10) medical malpractice insurance carriers account for over eighty-seven percent (87%) of the total medical malpractice direct premiums written in Tennessee in 2005. To date, the Department has identified six (6) insurance companies that failed to comply with the statute's reporting obligations. However, all six (6) were risk retention groups that are federally exempt from having to comply with the reporting requirement. The 2005 malpractice premiums for the insurance companies that filed no report totaled \$2,470,925.<sup>2</sup>

In addition to requiring insurance companies to report required information, Tenn. Code Ann. § 56-54-101 also requires those health care facilities and professionals that are uninsured to report information about its medical malpractice experience. As identified in last year's report, the Department remains unable to confirm that the information from this group is complete as it has no information concerning which facilities or professionals are, in fact, uninsured. Thus, while the Department has received some information from providers identifying themselves in this category and has included that information in this report, it can not be determined whether the Department has received information from all providers in this category. As such, there could be claims and costs incurred that are not included in this report.<sup>3</sup>

The Department continues to identify opportunities to further refine information collected in this report. It has been represented to the Department that some required information is not collected by reporting entities within the ordinary course of business. The Department did revise the 2006 reporting form to better identify medical specialties involved in reported claims, and this type of information was more completely reported this year.

---

<sup>2</sup> Tenn. Code Ann. § 56-54-101 authorizes the Commissioner of Commerce and Insurance to levy civil penalties in the amount of one hundred dollars (\$100) per day upon a reporting entity that fails to comply with the statute. The Department sanctioned thirty-three (33) entities for failure to timely file affidavits in April. These sanctions totaled \$54,200.00. The Department will continue to utilize the penalties of this statute to sanction those reporting entities that failed to timely file in order to increase the likelihood of full compliance next year.

<sup>3</sup> As was the case in 2005, the Department received claims information from certain uninsured health care facilities. However, just as in 2005, the Department did not receive any information directly from any uninsured health care professionals. There currently exists no method by which to identify all health care professionals who may be uninsured. Still, it is expected that the total number of claims for this category, if any, is relatively negligible.

## II. REPORTING PERIOD

The period upon which this report focuses is the 2005 calendar year. The Department required reporting entities to complete two (2) separate forms to meet their obligations under 2006 Tenn. Pub. Acts ch. 774: the first reporting form solicited information regarding all medical malpractice claims closed in 2005; and the second form solicited information concerning medical malpractice claims that were still considered pending as of December 31, 2005.<sup>4</sup> Claims identified in the reporting information submitted related to incidents occurring between 1978 and 2005. However, only 600 of the claims reported arose out of an incident that occurred prior to 2000.<sup>5</sup>

## III. CLAIMS CLOSED THROUGH SETTLEMENT, JUDGMENT OR OTHER RESOLUTION AND PENDING CLAIMS

### A. Total Claims

The total number of medical malpractice claims reported as closed in 2005 was 2,827. This total represents claims which were resolved through the entry of a final court judgment, settlement with the claimant, or was otherwise resolved by the reporting entity.

The following table details the number of claims resolved in each of these three (3) categories:

**Table 1 – Claims Closed through Judgment, Settlement or Other Resolution**

	2004 Totals	2004 Percentages	2005 Totals	2005 Percentages
Claims Resolved Through Judgment	6	0.25%	5	0.18%
Claims Resolved Through Settlement	444	18.77%	461	16.31%
Claims Otherwise Resolved	1,916	80.98%	2,361	83.52%
Total Number of Claims Closed	2,366	100.00%	2,827	100.00%

### B. Pending Claims

Pending claims are claims that arose in 2005 or in prior years which were still unresolved as of December 31, 2005. The reporting entities reported there were 5,680 claims pending as of December 31, 2005. Of the pending claims, 295 originated in 2005.

<sup>4</sup> The Department made the forms available to reporting entities on its website for easy access. The Department anticipates making further refinements to the forms in order to more accurately and clearly request the information sought under Tenn. Code Ann. § 56-54-101.

<sup>5</sup> Two (2) of the reported claims arose from events occurring in the 1970s, twenty-three (23) of the claims arose in the 1980s, and 575 of the claims arose in the 1990s.

**IV. DAMAGES AND COSTS**

*A. Total Damages Asserted by Claimants*

The total damages asserted in lawsuits for the claims reported as adjudicated, settled or otherwise resolved in 2005 totaled \$7,682,286,935. The total damages asserted other than by lawsuit for the claims settled or otherwise resolved in 2005 was \$188,674,916.<sup>6</sup>

The total damages asserted in lawsuits for pending claims in 2005 totaled \$20,349,265,076. The total damages asserted other than by lawsuit for pending claims in 2005 was \$121,155,068.<sup>7</sup>

*B. Total Settlements & Judgments*

The following table represents the amounts reported to have been paid in damages in 2005 for claims adjudicated, settled or otherwise resolved.

**Table 2 – Amounts Paid In Damages for Claims Settled, Adjudicated or Otherwise Resolved**

	2004 Totals	2004 Percentages	2005 Totals	2005 Percentages
Total Damages Paid by Settlements	\$108,333,535	98.22%	\$119,091,990	95.15%
Total Damages Paid due to Judgment	\$1,958,648	1.78%	\$6,075,724	4.85%
Total Damages Paid	\$110,292,183	100.00%	\$125,167,714	100.00%

<sup>6</sup> Reported information indicated that 1,311 of the claims reported as adjudicated, settled or otherwise resolved in 2005 did not have a precise demand for damages asserted by lawsuit. For reference, 2,749 of the claims reported as settled or otherwise resolved in 2005 other than by lawsuit did not have a precise demand asserted for damages.

<sup>7</sup> Reported information indicated that 2,151 of the pending claims reported in 2005 did not have a precise demand for damages asserted by lawsuit. For reference, 5,506 of the pending claims in 2005 did not have a precise demand for the asserted damages other than by lawsuit.

C. *Judgments*

The following table details each of the five (5) court judgments entered in 2005 and the amount and types of damages awarded in each case:

**Table 3 – Total Damages Awarded By Final Court Judgment**

Judgment Amount	Date of Occurrence	Damages Claimed in Lawsuit	Type of Provider	Compensatory Damages	Non-Economic Damages	Punitive Damages
\$70,978	2003	\$1,000,000	Family Practice	\$38,000	\$32,978	\$0
\$75,000	2001	Unspecified	Forensic Medicine	\$0	\$75,000	\$0
\$501,000	2001	\$1,500,000	Hospital	\$0	\$501,000	\$0
\$2,714,373 <sup>8</sup>	1995	\$15,000,000	Anesthesiologist	\$1,427,655	\$1,286,718	\$0
\$2,714,373 <sup>8</sup>	1995	\$15,000,000	Anesthesiologist (group)	\$1,427,655	\$1,286,718	\$0

D. *Claimant's Counsel*

2006 Pub. Acts ch. 774 amended Tenn. Code Ann. § 56-54-101 to require claimants' attorneys to report fees and expenses received in relation to their representation on medical malpractice claims. This amendment requires such information to be reported in 2007.

E. *Total Defense Costs and Expenses Paid on Claims<sup>9</sup>*

The total defense costs reported to have been paid during 2005 was \$61,768,804. For purposes of comparison, the total defense costs reported paid during 2004 was \$25,613,584. The following table details the expenses paid by reporting entities on claims that were paid in the 2005 calendar year for both closed and pending claims:

**Table 4 – Total Amounts Paid in Defense Costs on Claims in 2005**

	Fees Paid to Defense Counsel	Expert Witness Fees	Court Costs	Deposition Costs	Other Legal Fees
Pending Claims	\$35,648,061	\$3,163,251	\$71,508	\$780,127	\$1,933,534
Closed Claims	\$15,409,736	\$1,378,677	\$98,497	\$237,234	\$3,048,179
Total	\$51,057,797	\$4,541,928	\$170,005	\$1,017,361	\$4,981,713

<sup>8</sup> The reporting entity explained that these two claims represent one judgment awarded in one case against two separate providers: one individual professional and one professional group. However, as this judgment represented two separate claims, the judgment has been represented accordingly.

<sup>9</sup> In 2005, all reporting entities did not provide detail concerning the precise nature of defense costs.

The total defense costs paid by reporting entities for all claims that were either closed in 2005 or pending as of December 31, 2005, during the entire pendency of all such claims was \$135,535,545. The following table details these defense costs:

**Table 5 – Total Amounts Paid in Defense Costs on Claims from Inception to Year End<sup>10</sup>**

	Fees Paid to Defense Counsel	Expert Witness Fees	Court Costs	Deposition Costs	Other Legal Fees
Pending Claims	\$72,120,488	\$7,032,116	\$114,625	\$1,525,617	\$3,310,236
Closed Claims	\$42,530,089	\$3,392,293	\$116,706	\$805,710	\$4,587,665
Total	\$114,650,577	\$10,424,409	\$231,331	\$2,331,327	\$7,897,901

## V. TOTAL PAYMENTS MADE IN 2005

The following chart provides the total amounts paid on all claims in 2005, both closed and pending. It is presumed that all legal fees to claimants' counsel, which were not reported, would be included in the amount of damages paid by the reporting entity.

**Table 6 – Total Amounts Paid on Pending and Closed Claims**

	2005 Totals	2005 Percentages
Total Defense Costs	\$61,768,804	29.56%
Total Damages Paid by Settlements	\$141,082,277	67.53%
Total Damages Paid due to Judgment	\$6,075,724	2.91%
Total Payments in 2005	\$208,926,805	100.00%

## VI. 2005 DIRECT INSURANCE PREMIUMS WRITTEN

### A. Premiums

The total direct medical malpractice premiums written in 2005 in Tennessee by insurance companies were \$341,637,364. This total was determined from the 2005 annual financial statements filed by insurance companies.

<sup>10</sup> A few reporting entities reported defense costs on claims from inception to year end in amounts less than those defense costs reported to have been paid on the same claims in 2005. In these instances, the data could not be reconciled with the reporting entity, and was omitted from the total amounts paid in defense costs on claims from inception to year end. The Department will continue to attempt to obtain a reconciliation of this faulty data from the reporting entity and will supplement this information as appropriate.

*B. Reserves*

The Department has calculated the reserves or “direct losses unpaid” for the insurance company reporting entities as filed in their 2005 annual financial statement. These reserves totaled \$822,098,399.<sup>11</sup>

**VII. NEXT STEPS**

The Department will continue to work with the General Assembly in order to make sure the information provided in this report provides all relevant information needed by the General Assembly. In addition, the Department will also continue to work with the reporting entities to refine the reporting form and to provide specific directions to the reporting entities about how to properly report in order to improve the uniformity of the reporting entities’ reporting methodology. The following are specific changes recommended by the Department to be included in the statute or reporting form for future years that would enable the Department to provide additional relevant information:

- (1) Health care professionals and institutions should disclose the existence of insurance coverage so that it can better be determined whether all uninsured professionals and facilities have reported;
- (2) Insurance company reporting entities should report the amount previously reserved on all closed claims in order to determine the relative difference between the amount reserved and the amount ultimately paid on a claim;
- (3) Reporting entities should identify claims resulting in judgments whereby the defendant prevailed and no damages were awarded;
- (4) Reporting entities should report the date each closed claim was closed to allow the Department to reconcile the information provided; and
- (5) Reporting entities should identify the amounts paid in both settlements and judgments on both a cumulative basis and a calendar year basis.<sup>12</sup>

---

<sup>11</sup> The loss adjustment expenses (LAE) of the reporting entities are not available on a statewide basis, and, therefore, are not included. Financial information from reporting entities such as the uninsured health care facilities, which do not charge malpractice premiums or report reserves to the Department as do insurance companies, are not included in this section. It should also be noted that the Department does not receive information concerning the amount of reserves held specifically for each of the reported claims.

<sup>12</sup> This item was suggested by reporting entities to provide a more accurate and detailed profile as to how costs, damages, and expenses develop over the life of a claim.

CHAPTER NO. 902

HOUSE BILL NO. 3252

By Representatives Briley, Beavers, Brenda Turner

Substituted for: Senate Bill No. 3252

By Senator Fowler

AN ACT to amend Tennessee Code Annotated, Title 56, relative to reports on medical malpractice claims.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 56, is amended by adding the following as a new appropriately designated section:

56-\_\_-\_\_

(a) The following shall submit to the department of commerce and insurance a report relating to claims for medical or professional malpractice as set forth herein. Anyone required to report hereunder shall be referred to as a "reporting entity":

(1) Every insurance company or risk retention group providing medical malpractice or professional liability insurance to a Tennessee health care institution licensed under title 68;

(2) Every insurance company or risk retention group providing medical malpractice or professional liability insurance to any of the following Tennessee health care professionals licensed pursuant to title 63:

- (A) Podiatrists
- (B) Chiropractors
- (C) Dentists
- (D) Medical and Osteopathic Physicians
- (E) Nurse Practitioners
- (F) Optometrists
- (G) Psychologists
- (H) Pharmacists
- (I) Physician Assistants
- (J) Professional Counselors

(K) Marital and Family Therapists

(L) Clinical Pastoral Counselors

(M) Licensed Clinical Social Workers; and

(3) Every health care institution, or professional listed in subsection (2), except the state and those employed by the state, who does not maintain professional liability insurance.

(b) The report shall be filed on or before April 1 of each year beginning April 1, 2005 and shall cover the preceding calendar year.

(c) The initial report filed shall provide the following:

(1) The number of claims made and the amount of damages asserted, if known, other than claims set forth in lawsuits, listed by type of provider and an indication of specialty if any;

(2) Lawsuits filed and damages claimed therein, listed by type of provider and an indication of specialty if any;

(3) The amount paid on claims, with a separate list of amounts paid by settlement and amounts paid pursuant to a judgment. To the extent possible, the information submitted pursuant to this item should identify separate amounts paid for punitive, compensatory and non-economic damages; and

(4) With regard to each claim reported under subdivision (3), the reporting entity shall also list separately, if available, expenses, including attorney fees paid to defense counsel, the portion of any settlement or judgment received by claimant's counsel, expert witness fees, court costs and deposition costs. Counsel for claimants asserting claims covered by this section shall provide information about fee arrangements to facilitate reporting required by this subdivision (4).

(d) The second and subsequent reports filed pursuant to this section shall contain, in addition to the information set forth in subsection (c), information identifying those claims that are the subject of settlement or judgment which were contained in a prior report as a pending claim.

(e) The claims reports filed pursuant to subsections (c) and (d) shall include information as to the date of occurrence that is the subject of each claim and the claimant's social security number.

(f) The department of commerce and insurance shall submit an annual report to the speaker of the senate and the speaker of the house of representatives summarizing the information submitted pursuant to this section. Such annual report shall be submitted on or before September 1 of each year beginning September 1, 2005. Any report shall contain aggregate data only and shall not identify any individual entity or health care provider. The annual report compiled by the department shall aggregate

total settlement and judgment to all health care providers in connection with a single occurrence, provided that such report shall not contain any claimant's social security number.

(g) The information submitted to the department of commerce and insurance pursuant to this section shall be used solely for the purpose of analyzing trends in health care liability claims. Provided however, the information received pursuant to subdivision (c)(3) of this section and any subsequent reports concerning the specific information required by subsections (d) and (e) of this section that pertains to judgments and settlements paid as to any medical and/or osteopathic physician and/or dentist shall be sent to the department of health, division of health related boards and the provisions of subsection (h) of this section shall apply to such reports.

(h) The information submitted to the department of commerce and insurance pursuant to this section shall be confidential, shall not be subject to public inspection, shall not be subject to discovery, subpoena or legal compulsion for release to any person or entity, and shall not be admissible in any criminal civil or administrative proceeding.

(i) Nothing in this section shall be construed to prevent parties to a liability claim or legal action from entering into a settlement of that claim on a confidential basis. Any such agreement shall be mutually binding on all parties by the terms of the agreement, with the exception that any party required to report under this act shall do so and such reporting shall not be considered a breach of any confidential settlement agreement.

(j) The commissioner of commerce and insurance is authorized to promulgate rules to effectuate this section.

(k) The commissioner of commerce and insurance is authorized to enforce the provisions of this act against any entity required to report hereunder, including any health care institution or professional listed in subdivision (a)(2) that does not maintain insurance. Such enforcement power shall be to the same extent the commissioner may enforce this section against insurers required to report hereunder.

(l) The commissioner of commerce and insurance may levy a civil penalty in the amount of one hundred dollars (\$100) per day upon a reporting entity that fails to comply with this part.

SECTION 2. Any cost incurred by the department of commerce and insurance associated with the implementation of SECTION 1 shall be paid out of existing reserves of the insurance division of the department of commerce and insurance.

SECTION 3. Tennessee Code Annotated, Section 56-3-111, is amended by deleting subsections (a), (b) and (c) in their entireties and substituting instead the following new subsections (a), (b) and (c):

(a) Insurance companies providing insurance coverage against civil liability for the death or personal injury of any person as the result of negligence or malpractice, in the rendering of professional services by a licensed physician, either doctor of osteopathic medicine or doctor of medicine, or by a licensed dentist shall report to the state board of medical examiners or state board of osteopathic examination or the state

board of dentistry any settlement of a claim or judgment, sealed, confidential or otherwise, of five thousand dollars (\$5,000) or more which arises out of a claim of negligence or malpractice on the part of an insured physician or dentist as distinguished from administrative matters. Such report shall be made within thirty (30) days of the settlement or judgment and shall contain only the following information:

- (1) The name and address of the licensed physician or dentist;
- (2) The name and address of the plaintiff;
- (3) The name of the patient, if different from the plaintiff;
- (4) The name and location of the court in which a claim was filed, if any;
- (5) The amount of any judgment or settlement; and
- (6) The identity of the insurance company and the person filling out the report.

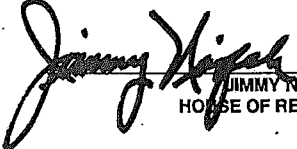

(b) The reports shall be confidential, shall not be subject to public inspection, shall not be subject to subpoena or used as evidence in any legal proceeding, civil or criminal. Provided however, the reported judgments and settlements contained in the reports, except those that are ordered sealed or to remain confidential by a court of competent jurisdiction, may be used to fulfill the requirements of the Consumer Right to Know Act of 1998 but may not be used to initiate or prosecute any administrative proceeding before the board for licensing health care facilities.

(c) No insurance company, official, or other person authorized by an insurance company to issue such reports shall be liable for filing reports in accordance with this section, so long as the report is not disclosed to anyone other than authorized personnel of the state board of medical examiners, state board of osteopathic examination or the state board of dentistry, or the reported judgments and settlements contained in the reports, except those that are ordered sealed or to remain confidential by a court of competent jurisdiction are used to fulfill the requirements of the Consumer Right to Know Act of 1998.

SECTION 4. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 5. This act shall take effect upon becoming law, the public welfare requiring it. Sections 1 and 2 of this act shall be void on September 30, 2008.

CHAPTER NO. 744

SENATE BILL NO. 3165

By Bryson

Substituted for: House Bill No. 3599

By Sargent, Odom

AN ACT to amend Tennessee Code Annotated, Section 56-54-101, relative to malpractice claims reporting.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 56-54-101, is amended by inserting the following language as a new subsection (f) and appropriately redesignating the existing subsections accordingly:

(f) The report filed pursuant to subsection (g) in 2006 for the 2005 calendar year, and for all subsequent reporting years, shall also include the amounts paid for all damages and defense expenses in the categories listed in subsection (c), subdivisions (3) and (4), from the inception date of the claim until the end of the preceding calendar year. The intent of this subsection is to provide complete payment information over the entire time period of each claim's duration.

SECTION 2. Tennessee Code Annotated, Section 56-54-101(e), is amended by deleting the period at the end of the subsection and by inserting the language "only to the extent that the claimant's Social Security number is available to the reporting entity."

SECTION 3. Tennessee Code Annotated, Section 56-54-101, is amended by adding the following language at the end of subsection (d):

In addition, reporting entities shall resubmit any report(s) not containing the information required by subsection (f) by July 1, 2006.

SECTION 4. Tennessee Code Annotated, Section 56-54-101(c)(4), is amended by deleting the language "the portion of any settlement or judgment received by claimant's counsel," and the sentence "Counsel for claimants asserting claims covered by this section shall provide information about fee arrangements to facilitate reporting required by this subdivision (c)(4)."

SECTION 5. Tennessee Code Annotated, Section 56-54-101(c)(4), is further amended by adding the following sentence at the end of such subdivision: "With regard to each amount paid on claims reported under subdivision (c)(3), the reporting entity shall also list the name of each attorney representing the claimant."

SECTION 6. Tennessee Code Annotated, Section 56-54-101(c), is amended by adding the following language as a new, appropriately designated subdivision:

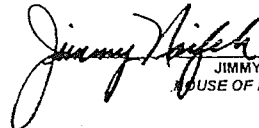

( ) Counsel for claimants asserting claims covered by this section shall provide information about fee arrangements to the Department of Commerce and Insurance. Such information must include the portion of any settlement or judgment received by claimant's counsel. For the purposes of the levying of civil penalties under subsection (l), counsel for claimants who are required to submit the information outlined in this subdivision (c)( ) shall be considered reporting entities under this section.

SECTION 7. Tennessee Code Annotated, Section 56-54-101(f), is amended by replacing the word "September" with the word "November".

SECTION 8. This act shall take effect upon becoming a law, the public welfare requiring it.
