## Brand New Newsletter

The purpose of this newsletter is to provide updated information to training officers and general department instructors (GDI) across the state. We will be using this newsletter to share new information, training, ACADIS tips, new rules and legal updates.

If you have questions, please reference the contact section.

## NEW TRAINING!

We have just put together a two day, 16 hour, POST approved GDI/ACADIS class! This workshop style training will be taught by POST staff. Do you have questions? ACADIS submissions getting rejected? Bring your agency paperwork! We will be covering all aspects of ACADIS submissions and working with you to submit them properly during class. This class will be offered multiple times and in multiple locations across the state. Please check the TLETA training schedule on the TLETA website for dates and locations.

### *Executive Secretary's Corner*

*Please join us in congratulating Director Brian Grisham on his retirement. Director Grisham will retire with 25 years at the Tennessee Law Enforcement Academy and almost 40 total years in law enforcement. He takes with him a wealth of knowledge and experience that will be greatly missed.*

## REMINDER!

All submissions and waivers for the POST agenda must be received before the last day of the month! If your submission is received after the last day of the month, it will be placed on the next months agenda. Example: a submission received on September 3rd will be placed on the October agenda.

## REMINDER!

We are approaching the end of the year and we will be getting ready to receive your salary supplements. Please remember to include a hard copy of any waivers (medical, military, etc.) with your salary supplement requests.

## Did you know?

POST transition school is now offered in an online format!
