Volume 12 | Number 1
Spring 2017

THE BALANCE SHEET

Royston Completes 3-Year Term

Board Chairman Don Royston will complete his third appointed term on the Tennessee State Board of Accountancy on June 30, 2017.

His knowledge and experience have been invaluable to the Board, and his presence will be missed. Don was acknowledged for his service to the profession at the May 2017 meeting of the Board. It is expected that Don will leave the Board this summer.

An accountant since 1972, Don is currently a Director at Brown Edwards in Kingsport, where his specialties

include financial institutions, technical service areas, estate planning, wholesale/retail, manufacturing and medical practices.

Many professional and community organizations have benefited from Don's service and expertise, including TSCPA, AICPA, Greater Kingsport Area Chamber of Commerce, Kingsport College Foundation, and ETSU Department of Accountancy Advisory Board.

Don has served as Santa since 1999 on the Kingsport Chamber of Commerce/CSX Santa Train traveling some 110 miles each year from Shelbiana, Kentucky into Kingsport, Tennessee.

Board Chairman Don Royston is recognized for completing his third appointed term on the Board.

NASBA Committee Appointments

Board of Accountancy members Larry Elmore and Judy Wetherbee have been appointed to serve on Committees for the National Association of State Boards of Accountancy (NASBA).

Mr. Elmore serves on NASBA's Audit Committee, which oversees the Association's annual financial statement audit

and internal controls, and makes recommendations to the Board of Directors.

Ms. Wetherbee will assist the Ethics Committee in the development and maintenance of high-quality standards of ethical practice to protect the public interest.

CPA EXAM CHANGES

A new version of the Uniform CPA Exam was launched on April 1, 2017.

The Tennessee Board of Accountancy Plans to Extend Testing Window for Certain Students Sitting for the next CPA Exam

Consistent with Exam launches in the past, there will be a delay in the release of scores following the close of the launch testing window. For the Q2 2017 (April/May) launch window, scores will be released once, approximately 10 weeks after the close of the testing window. For Q3 and Q4 2017, scores for all candidates will be released once, approximately 10 days after the close of each testing window. The delays are necessary to provide sufficient time to statistically validate candidate performance on the next Exam. The score release timetables below are for the Q2 through Q4 2017 testing windows to help candidates plan their testing schedule.

APRIL/MAY (Q2) TESTING WINDOW

TESTING WINDOW	TESTING DATES	TARGET SCORE RELEASE DATE RANGE
APRIL/MAY	APRIL 1 - MAY 31	AUGUST 16 - 18*

JULY/AUGUST (Q3) TESTING WINDOW

TESTING WINDOW	TESTING DATES	TARGET SCORE RELEASE DATE RANGE
JULY/AUGUST/SEPTEMBER	JULY 1 - SEPTEMBER 10	SEPTEMBER 22

APRIL/MAY (Q2) TESTING WINDOW

TESTING WINDOW	TESTING DATES	TARGET SCORE RELEASE DATE RANGE
OCTOBER/NOVEMBER/DECEMBER	OCTOBER 1 - DECEMBER 10	DECEMBER 22

The Tennessee Board of Accountancy recognizes the 10+ week scoring delay for 2nd quarter (April 1 – May 31, 2017) could adversely affect some candidates. At their January 2017 meeting, the Board announced that they would allow an extension of one additional testing window for those candidates that sit during the Q2 2017 launch window, fail that section(s), and have one or more parts expiring in Q3 2017. The intent of this extension is to provide equitable exam opportunities for all candidates.

Should you have questions, please contact our office at (615) 741-2550 or accountancy.board@tn.gov.

Board of Accountancy Complaint Process

The Accountancy Act authorizes the Tennessee State Board of Accountancy to respond to complaints filed against licensees for possible violations of the Accountancy Act and allegations of unprofessional conduct.

Should a complaint be filed against your license, you will receive notification that includes any materials received with the complaint. Upon receiving a notice of complaint, you are required to respond in writing to the board within fourteen days. The notification will contain a link for submitting your response online.

After the response is received, or if you fail to respond, the Legal Department will assign an investigator and/or make a recommendation for disposition to the Board. Board members review the circumstances surrounding each complaint and the Board will either agree with or amend Legal's recommendation. Complaints are identified to the Board

by case number only and presented anonymously without disclosing the licensee's name.

Possible Board actions include:

- Dismissal
- Letters of Caution, Warning, Instruction
- Consent Orders
 - Civil Penalties
 - Additional CPE or Peer Review
 - Probation
 - Suspension
 - Revocation
- Formal Conference (Hearing)

Common Allegations

Complaints generally come from consumers, other state agencies, and other CPAs. The most common allegations in a complaint are unlicensed practice and failure to enroll in peer review.

Recently, the Board has seen an increase in unlicensed individuals providing compilation, review, and audit reports to other State agencies in support of a license or certificate application. Remember that the issuance of such a report requires a CPA license, firm permit, and peer review enrollment.

Practice Continuation Agreements

What happens when a CPA becomes incapacitated or unexpectedly passes away?

A practice continuation agreement is a contract that establishes a plan for the transfer of your practice to another CPA firm or individual in the event of your disability or death. This agreement will help ensure that your clients and

employees are protected.

Do you have a plan in place to safeguard your clients' services and your employees' salaries?

Working together with the AICPA, NASBA recently finalized the [*Practice Continuation Agreements: A Practice Survival Kit*](#). This document provides helpful advice for protecting your practice.

Compilation or Preparation?

Financial reporting standards are ever changing, making it challenging to keep up. The table below provides a quick reference highlighting the differences between a compilation engagement (section 80 of SSARS No. 21) and a preparation engagement (Section 70 of SSARS No. 21). Section 70 of SSARS No. 21 only applies to accounting and bookkeeping engagements if the accountant is required to prepare financial statements based on those inputs. If the accountant is engaged to merely assist the client in financial statement preparation (prepare adjusting journal entries or assist in the drafting of specific note disclosures), Section 70 of SSARS No. 21 does not apply. For further information visit <http://www.journalofaccountancy.com/issues/2016/jan/bookkeeping-service-or-preparation-service.html>.

	Compilation (Section 80 of SSARS No. 21)	Preparation (Section 70 of SSARS No. 21)
When does the standard apply?	When the accountant is engaged to perform a compilation	When an accountant is engaged to prepare financial statements
Is an engagement letter required	Yes	Yes
Is the accountant required to determine if he or she is independent of the client?	Yes	No
If the accountant is not independent, is that fact required to be disclosed in the accountant's report?	Yes	N/A
Does the engagement require a report?	Yes	No*
May the financial statements go to users outside of management?	Yes	Yes
May the financial statements omit notes?	Yes	Yes

*When an accountant is engaged to prepare financial statements, the accountant is required to include an adequate statement on each page of the financial statements indicating that no CPA provides any assurance on the financial statements. If the accountant is unable to include an adequate statement on each page of the financial statements, the accountant is required to issue a disclaimer on the financial statements.

Moving Out of State?

Are you considering moving out of Tennessee and taking your practice with you? The Board is often asked about transferring a CPA license to another state. If you have applied for licensure in another jurisdiction, you are gaining an additional license, not transferring the Tennessee license. You must abide by the Law and Rules of each state in which you are licensed—including renewal requirements. If you do not wish to maintain your Tennessee license, please submit an affidavit to close it.

Things to remember:

- Check with the State Board in the state of your principal place of business to ensure they don't require you to maintain your Tennessee license.

- Your Closed Tennessee license may be reopened by submitting a reactivation application along with the required CPE and reactivation fee.
- CPAs who are licensed in their home jurisdiction may serve a Tennessee client provided the primary place of business is not within Tennessee.
- If you are a sole proprietor of a Tennessee firm, remember to request closure for your firm permit when closing your CPA license.

Successful Launch for Next Version of CPA Exam

The American Institute of CPAs (AICPA), National Association of State Boards of Accountancy (NASBA) and Prometric are pleased to announce the successful launch of an updated version of the Uniform CPA Examination.

The next generation Exam, which began testing on April 1, has added additional assessment of higher-order cognitive skills that test a candidate’s critical thinking, problem solving and analytical ability. The Exam also makes greater use of task-based simulations (TBSs) as a means of assessing these higher-order skills. Recent research confirms that CPAs are now performing tasks that rely upon these skills earlier in their careers.

“The roles and responsibilities of newly licensed CPAs are constantly evolving, so it’s crucial for the CPA Exam to stay ahead of the curve. The CPA Exam now better reflects the knowledge and skills essential to today’s profession,” said Michael Decker, AICPA vice president of examinations. “With an eye toward the future, we’ll continue to work with stakeholders to ensure that the CPA Exam, along with the experience

and education requirements, maintains the high bar for entry into the profession.”

The Exam provides assurance that individuals who pass have the technical knowledge and skills necessary for CPA licensure. The current, relevant, reliable and legally defensible Exam maintains the profession’s commitment and mandate of the Boards of Accountancy to protect the public.

“The new Exam Blueprints demonstrate the continuous enhancement model of the Uniform CPA Examination,” said Colleen Conrad, CPA, NASBA executive vice president and chief operating officer. This strengthens the public protection role of Boards

of Accountancy by enhancing the examination portion of the licensing model (education, examination and experience) used to regulate more than 700,000 licensees throughout the U.S.,” she continued.

The CPA Exam is administered in 55 jurisdictions nationwide by the AICPA, NASBA and Prometric. The same version of the Exam is also administered in English internationally in Japan, Bahrain, Brazil, Kuwait, Lebanon and the United Arab Emirates.
