

2018 Tennessee State-Specific Ethics Approved Sponsors/Providers

The Tennessee State Board of Accountancy (TNSBA) has an agreement with the Tennessee Society of CPAs (TSCPA) to develop and deliver the content/material for the Tennessee State Specific Ethics Course. TNSBA now requires all sponsors/providers of the Tennessee State Specific Ethics Course to be pre-approved by TNSBA prior to instructing the course. Sponsors will be required to demonstrate their compliance with certain requirements prior to approval. Sponsors not pre-approved annually by Board staff will not be recognized by the Board as an acceptable Tennessee Specific Ethics Course provider.

The sponsors below have been approved to present the Tennessee State Specific Ethics Course, however their course may not be available for purchase until after the first quarter of 2018. CPAs may continue to earn state-specific ethics credits through the TSCPA's interactive on-demand course available [here](#).
