

CPAs with a CPE requirement must include a list of their CPE courses when renewing. Each Spring, the Board selects 10% of those CPAs to require documentation of the credits earned for renewal. Board members and CPA employees of the Board are included in every audit cycle.

The CPAs listed below were notified of the selection of their license for the 2023 CPE audit. Audit responses are submitted through core.tn.gov and must include copies of certificates of completion for the 2021-2022 reporting period. The deadline for submission is August 1, 2023.
