As part of meeting its mission to safeguard life, health and property, and to promote the public welfare, the Tennessee Board of Architectural and Engineering Examiners actively enforces the statutes and rules that fall within its jurisdiction. Below is a summary of recent formal disciplinary actions. Every effort has been made to ensure that the following enforcement information is correct; however, this information should not be relied upon without verification from the Board office. It should be noted that the names of companies and individuals listed may be similar to the names of parties who have not had enforcement actions taken against them. Should you have any specific questions regarding the disciplinary actions noted below, or if you would like to check for disciplinary action from prior years, please contact the Board office.
