QUALIFYING EDUCATION COURSE APPROVALS AS OF JULY 23, 2024

**ALARM SYSTEMS CONTRACTORS NATIONALLY RECOGNIZED TRAINING COURSES FOR QUALIFYING EDUCATION
 *INITIAL APPLICATION ONLY***

Listed below are QUALIFYING AGENT training courses approved by the Commissioner for the purpose of Education in the Fire Alarm Installation, Burglar Alarm Installation CCTV Installation, and Alarm Monitoring License Classifications. NOTE: With initial application for licensure, Qualifying Agents must provide a photocopy of certificates of completion for approved course(s) to qualify for the classification(s) in which you are applying. [T.C.A. 62-32-313(a)(3)]

For initial qualifying education, a Qualified Agent must complete and submit a Level I certification and one additional course per classification. All registered employees must complete the Level I certification within their first year of employment, to be kept on file by the company/QA.

These are the only courses identified as nationally recognized training programs, currently approved by the Tennessee Alarm Systems Contractors for Qualifying Education.
