Dear Licensee:

The novel coronavirus ("COVID-19") pandemic is rapidly evolving. Governor Bill Lee has called on all Tennesseans to work together to battle the spread of COVID-19, including employers and individuals. This is an unprecedented event, and therefore we ask for patience and understanding as we work to protect your health and safety, as well as the health and safety of the millions of Tennesseans we serve. We will do this, as well as, ensuring that we continue to fulfill our mission and provide excellent customer service.

The Tennessee Athletic Commission ("the Commission") and the Department of Commerce and Insurance ("the Department") are now working remotely as part of the social distancing strategies outlined by the Centers for Disease Control ("CDC") and the World Health Organization ("WHO"). However, the Department is fully operational. You may reach the Program by email at reg.boards@tn.gov.

For reference, please see the links below for resources regarding safety measures issued by the Tennessee Department of Health and the CDC. We hope you find this information helpful, and please let us know if you have additional questions.
