

Dear Licensee:

The novel coronavirus (“COVID-19”) pandemic is rapidly evolving. Governor Bill Lee has called on all Tennesseans to work together to battle the spread of COVID-19, including employers and individuals. This is an unprecedented event, and therefore we ask for patience and understanding as we work to protect your health and safety, as well as the health and safety of the millions of Tennesseans we serve. We will do this, as well as, ensuring that we continue to fulfill our mission and provide excellent customer service.

The Tennessee Auctioneer Commission (“the Commission”) and the Department of Commerce and Insurance (“the Department”) are now working remotely as part of the social distancing strategies outlined by the Centers for Disease Control (“CDC”) and the World Health Organization (“WHO”). However, the Department is fully operational. You may reach the Commission by email at ce.auctioneer@tn.gov.

On March 19, 2020, Governor Lee signed Executive Order No. 15 (“the Order”). The Order provides the Commissioner of the Department of Commerce and Insurance (“the Department”) the discretion to reasonably extend deadlines for obtaining required education and continuing education to boards, commissions, and agencies administratively attached, such as the Commission. Therefore, effective immediately until May 18, 2020 or until further such notice, no license will be suspended for failure to complete continuing education requirements.

Additionally, on March 30, 2020, Governor Lee Signed Executive Order No. 22 (“the Order”). The Order provides that gatherings greater than ten (10) people are prohibited. Therefore, in-person auctions at this time are prohibited. However, licensees do have the option to conduct auctions online. Licensees should follow the guidelines created by the CDC and adopted by the State of Tennessee.
