Presents

Build Your Future: Applying for and Managing Your Contractor License

Webinar

Wednesday, September 9th, 2026
9:00 -11:30 am CST

Are you looking to become a licensed contractor or need guidance on managing your existing license? Join the Tennessee Board for Licensing Contractors for a free, informative webinar designed to walk you through the entire contractor licensing process. This session will cover:

- How to apply for a contractor license
- Key eligibility requirements and documentation
- Tips for avoiding common application mistakes
- How to renew, update, or manage your license
- Where to find resources and support

Whether you're just getting started or want to ensure you stay in compliance, this webinar will provide practical tools and answers to your most important licensing questions. A live Q&A session will follow the presentation. To join the live webinar, please click the link below to visit our public events page or scan the QR code.
