#### **APPLICATIONS FOR RECIPROCITY-**

Application for reciprocity of cosmetology and barber instructor license from Missouri for Deanna Coleman. Kevin Johnson, with Paul Mitchell the School Knoxville, appeared before the board with Ms. Coleman to answer questions and explain how her experience. Ms. Coleman obtained her cosmetology 1,500 hours in Knoxville, Tennessee and had that license between 2012 and 2014. Certification shows she is licensed for both discipline in Missouri with an original license date of February 2018. That date likely reflects to crossover changes and the “upgrade to instructor”. Missouri has a crossover of 50 hours between cosmetology and barbering and had to take the two exams. The instructor part is completed with work in the industry and exams. No separate instructor hours are needed. She provided tax records between

2012 and 2016. Also provided are her instructor exams where she obtained an 87 and a 96. She has a barber instructor job pending and the school submitted a letter.

MOTION made by Mona Sappenfield and seconded by Judy McAllister to approve both cosmetology and master barber instructors licenses. Motion carried unanimously.

Application for reciprocity of cosmetologist license from Oregon for Laura Buss. Certification shows initial licensure in September 2009 with 1,700 hours by examination. Tax records were provided for 2012 through 2016.

Recommendation - is that the applicant be approved for reciprocity.

MOTION made by Amy Tanksley and seconded by Patricia Richmond to approve recommendation. Motion carried unanimously.

Application for reciprocity of cosmetology license from Florida for Louis Stanley DeCarr Certification shows initial licensure in May 2005 with 1,200 hours, no practical exam. A notarized letter from her employer states she was a barber/cosmetologist from June 2002 to 2010. Ms. DeCarr provided an email explanation of why she left the industry in 2012 and that she now has a job opportunity.

Recommendation - is that the applicant take the Practical exam.

MOTION made by Nina Coppinger and seconded by Judy McAllister to approve recommendation. Motion carried unanimously.

Application for reciprocity of cosmetology license from New York for Wendy Fancher. Certification shows initial licensure in February 2017 with 1,000 hours and it reflects passage of both exams in 2001. New York's certifications always indicate that prior records are destroyed. Ms. Fancher provided a letter explaining her work experience, many letters from clients, certificates of additional education and some tax records for 2005 – 2009.

Recommendation - is that the applicant be approved for reciprocity.

MOTION made by Kelly Barger and seconded by Judy McAllister to approve recommendation. Motion carried unanimously.

Application for reciprocity of manicure license from Texas for Tuyet Nguyen. Certification shows initial licensure issued in February 2011 with 603 hours and both exams. Ms. Nguyen

attended one of the nine schools in Texas that the board requested a large investigation in 2014. The conclusion of that investigation resulted in many revoked licenses in Tennessee and the board deciding to not accept hours from the past or moving forward. The investigation determined that individuals received hours and they were even lived in Texas. It covered files from 2012 – 2015. Ms. Nguyen provided many documents to support that she has lived in Texas since 2009. She owned a business, paid taxes and is waiting on this decision to move to Tennessee. The time frame of the hours obtained does not lined up with the investigation or the original allegations. Future Texas applicants from thee schools were determined to also be considered for approval if supporting information

Recommendation - is that the applicant be approved for reciprocity.

MOTION made by Patricia Richmond and seconded by Judy McAllister to approve recommendation. Motion carried unanimously.

## **MISCELLANOUS REQUESTS –**

### **Request for Waivers, Reconsiderations and Extensions:**

Request for consideration of lapsed license for La Keith Antavio Brigance. Mr. Brignce was supposed to have renewed his master barber license by 1/31/2017 and after 1/31/2018 he would have to test I order to be reinstated. He provided a letter explaining that he was told how much he owed and that he sent that. The penalties for master barbers doubled the original fee and depending how close he was to the last day of the renewal it could have been \$240 or \$360. At no point did he owe \$242 however if he did not promptly the additional \$118 was also due. Records show the payment was received in the building on February 1<sup>st</sup>, one day after his last day to renew without having to test. The statute says he must take the reinstatement exams but it's clear that if he had gone online to pay, this would not have been an issue. At this time he owes no other fees.

MOTION made by Amy Tanksley and seconded by Kelly Barger to approve request. Motion carried unanimously.

Request for waiver of separate restroom for a shop located inside a home. Ms. Angela Hurst had a license to operate a cosmetology shop out of her home from 1990 until 2010 when she stopped renewing the license. She is asking to be grandfathered because she previously could operate in this manner. There is no easy way for her to add a restroom to this separate part of the house. The statute is clear on what is needed to operate a shop out of a home and a restroom is one of those items.

MOTION made by Patricia Richmond and seconded by Judy McAllister to deny the request. Motion carried unanimously.

Request for extension of the time frame to complete school from Ms. Camilla Walker. Pursuant to Tenn. Code Ann. §62-3-112, a student has seven (7) years from the original date of enrollment to complete the required hours. Ms. Walker enrolled in a Barber School that is now closed. She started her hours in July 2009 and should have completed by July 2017. Her completion date is listed as May 2017 and by then she should have lost all her hours. She is asking the board for reconsideration of this law given that the school allowed her to continue going and she was unaware of the situation.

MOTION made by Patricia Richmond and seconded by Kelly Barger to approve hours and allow her to test. Motion carried unanimously.

Request for extension of continued education requirement from barber instructor Cynthia Washington. Pursuant to Tenn. Code Ann. §62-3-124 an instructor must complete the 16 hours of an approved training program. It is at the board's discretion to approve up to one additional year extension for good cause. Ms. Washington provided a letter sharing the tragic death of her daughter in 2015. She submitted the obituary. Ms. Washington then moved Texas to be near family. She provided proof of her Texas barber instructor license but that State does not require continued education.

MOTION made by Amy Tanksley and seconded by Patricia Richmond to approve request for extension. Motion carried unanimously.

Request for extension of continued education requirement from cosmetology instructor Brittany Tidwell Pursuant to Tenn. Code Ann. §62-4-114 an instructor must complete the 16 hours of an approved training program. It is at the board's discretion to approve up to one additional year extension for good cause. She provided a letter explaining that she intended to put her instructor license on inactive status as she is not currently teaching in the industry but does not wish to have to re-test when she decides to start teaching. It appears that the difference between retiring a license and placing the instructor part on inactive was the confusion and might still not be clear for Ms. Tidwell.

MOTION made by Patricia Richmond and seconded by Mona Sappenfield to approve request. Motion carried unanimously.

Request to approve original master barber license for Emma Lee Meeks. Ms. Meeks had a complaint opened against her for working without a license on December 7, 2017 during a routine shop inspection. Ms. Meeks has paid the penalty for the unlicensed activity. She completed school and passed both exams.

MOTION made by Judy McAllister and seconded by Amy Tanksley to approve license. Motion carried unanimously.
