I have reviewed the answers of the applicant named herein. I have made diligent inquiry and investigation into the answers contained in this application, and believe they are true to the best of my knowledge and belief. On behalf of my company, I hereby endorse the applicant as an individual of good business standing and one who is worthy of licensure, and hereby request that a license be granted under the rules, regulations and policies of the Tennessee Motor Vehicle Commission.

On behalf of my company, I agree that:

Instructions covering the provisions of the law and the rules and regulations governing the sale of motor vehicles and recreational vehicles have been given to the applicant for said license. The applicant will be provided a reasonable understanding of same, before being permitted to transact the business for which the license is requested.
