

## **Notice of Public Rulemaking Hearing: Tennessee Detection Services Licensing Program**

Pursuant to Tenn. Code Ann. § 4-3-1306(d), you are receiving this notice because you have elected to receive notification by e-mail of certain changes or potential changes to the law applicable to your profession.

The Tennessee Detection Services Licensing Program (herein “Program”) will be conducting a Rulemaking Hearing on Friday, June 10, 2022 at 9:00 a.m. This rulemaking hearing will be held at the following address:

500 James Robertson Parkway  
Davy Crockett Tower, Conference Room 1-B  
Nashville, TN 37243

The proposed rules are in response to statutory changes made with the passage of Public Chapter 294 signed into law on April 30, 2021 by Governor Bill Lee which became effective on July 1, 2021. Specifically, the Alarm Systems Contractors Board and Private Investigation and Polygraph Commission were terminated by this law and the regulation of these professions was given to the Detection Services Licensing Program, which is a Program overseen by the Commissioner for the Department of Commerce and Insurance. These rules are in response to this regulatory change. Additionally, there is a rule amendment proposed to Rule 0090-01-.03, which modifies this rule in a manner to match the exemption for licensed contractors from alarm systems contractor licensure found in T.C.A. § 62-32-305(7).
