**ACTIVE TO INACTIVE**

The fee for changing from active to inactive status is \$25. In order for your status change to be effective, this fee must be paid at: <https://core.tn.gov>.

**ATTESTATION**

Under Rule 0780-05-06-.06, I would request that my registration be placed in an inactive status. My current licensee number is \_\_\_\_\_. I understand that while my registration is in an inactive status, I cannot engage in the practice of soil science. During this period of time, I shall not represent myself as a soil scientist in Tennessee. I will pay renewal fees as appropriate.

Under penalty of perjury I attest that the information contained herein is true and correct to the best of my knowledge.
