The Commission discussed various options for encouraging E&O compliance such as staggering the renewal of E&O to run with the license renewal date for each individual licensee or require specific license numbers and a copy of a certificate if E&O insurance with all contracts.

Upon the Commission’s request, Mr. Green presented the following proposed rule change: **Note: Proposed new language is in bold.**

**Rule 1260-1-.04 LICENSES**

The following Commission Members were present: Chairman Isaac Northern, Vice-Chairman Bear Stephenson, Commissioner Grover Collins, Commissioner Wendell Alexander, Commissioner Michelle Haynes, Commissioner Austin McMullen, Commissioner Janet DiChiara and Commissioner David Flitcroft. Others Present: Eve Maxwell, Executive Director, Steve McDonald, Education Director, Mark Green, Assistant General Counsel, and Kelly McDermott, Administrative Secretary.

The Commission continued their discussion regarding the proposed 2012 TREC meeting schedule. Chairman Northern read into the record a letter received via email from Francie Ryder, Executive Officer of the Greater Chattanooga Association of Realtors®. In the letter, Ms. Ryder invited the Commission to return to Chattanooga on April 12-13 for the 100 year anniversary celebration of GCAR. Commissioner Alexander made a motion to accept the gracious invitation and to hold the April TREC meeting in
Chattanooga on April 12-13, 2012; second by Commissioner DiChiara; unanimous vote; motion carried. Commissioner DiChiara made a motion to hold the meeting in Jackson in July instead of September 2011; seconded by Commissioner Alexander; unanimous vote; motion carried.

Ms. McDermott read into the record the following proposed meeting dates and location for 2012:

- Thursday, January 12 and Friday, January 13, 2012 in Memphis
- Wednesday, February 8 and Thursday, February 9, 2012 in Nashville

- Wednesday, December 5 and Thursday, December 6, 2012 in Nashville

Commissioner DiChiara made a motion to adopt the 2012 TREC meeting schedule as proposed by Ms. McDermott; seconded by Commissioner Stephenson; unanimous vote; motion carried.

Chairman Northern made note for the record that several attempts have been made by the Commission for a pay increase for Eve Maxwell, Executive Director of TREC, to be approved and implemented. He advised that he would be sending a letter to the Administration and will be sending the letter around to the various Commissioners to be signed by each.

The Commissioner reported on matters of concern to them and the Commission. All agreed that coming to Chattanooga is always a pleasure and that they are happy to be returning in the near future.

Mr. Wayne Pugh, General Counsel for the Division of Regulatory Boards in the Department of Commerce and Insurance addressed the Commission regarding the RFP for the E&O contract. He and the Commissioners had a detailed conversation about potential modifications that could be made to the RFP that would assist in compliance by licensees. He explained that when you have a master insurance policy, the time limit of each individual policy cannot exceed that of the master policy. Mr. Pugh suggested to the Commission that by doing away with a master policy, the individual policy renewals may be able to run with the renewal of the license. He explained that the Commission, per statute, sets the parameters of the RFP and what they request will be included in the bid. Ms. Maxwell reviewed with the Commission some “RFP Discussion Points” and also read a letter from Cindy Rice Grissom, CEO of Rice Insurance, expressing some of their concern’s regarding changing the manner in which the current policy renews. Commissioner Alexander noted that there are many exclusions in the current policy and that since TREC is charged with protecting the public, those exclusions should be
addressed when bidding the RFP. Chairman Northern said that he is concerned with Rice Insurance’s concern that the administrative costs of a change would be passed along to licensees through increased premiums and that the changes could have an impact on principal brokers. Mr. Pugh reiterated that the Commission has the authority to set terms, such as exclusions. He explained that if the State mandates that a licensee must have E&O insurance and they offer licensees an option (through a State contracted provider), then they have no excuse and must obtain E&O through that provider or an alternate provider. It was determined that it would be a good idea to explore an RFP where the provider insures a licensee individually and not under a master policy. **Commissioner Haynes made a motion that the Commission pursue the prospect of moving away from a master policy and instead require an individual policy that would expire with the licensee’s TREC license; seconded by Commissioner DiChiara.** The floor was opened back up for discussion before the vote on the motion. The Commissioners agreed that they all needed to time to take the information (policy, contract) provided and study it before any definitive measures are taken. It was agreed that the matter would again be discussed at the November meeting. It was suggested that Commissioner Collins spearhead a subcommittee to make recommendations to the full board at that meeting. The timing of the renewals of both E&O and licenses was discussed as it relates to the staggering of license renewals. Ms. Maxwell was asked to investigate the logistics of the computer system to handle a change of this manner. It was also decided that the Commission would discuss certain endorsements to the policy such as an endorsement for Real Estate Appraisers. **The ultimate vote, after the discussion on Commissioner Hayes motion was unanimous and the motion carried.**

The Commission briefly discussed where the 2012 Staff Christmas luncheon will be held. **Commissioner Stephenson made a motion that the Christmas luncheon again be held at Maggiano’s, to be paid for by the Commission members, to thank the Staff for their ongoing work; seconded by Commissioner Haynes; unanimous vote; motion carried.**

**Commissioner Collins made a motion to adjourn the meetings; seconded by Commissioners McMullen; unanimous vote; motion carried.**

Chairman Northern adjourned the meeting on Friday, September 9, 2011 at 10:55 a.m.
