FROM: AMERIGROUP Tennessee, Inc.

In connection with your examination of the unpaid claim liability to be included in the statutory annual statement of AMERIGROUP Tennessee, Inc. (Company) as of December 31, 2008, I represent that to the best of my knowledge and belief:

1. All information which would affect the actuarial items examined has been given to you;
2. Basic records, listings, summaries and other information furnished to you, and underlying the calculation of the actuarial items identified below, are accurate and complete; and
3. No methods or procedures employed by the Company, now or in the past, would preclude the accurate determination of the actuarial items examined.
4. At-risk providers are in a financial position to meet all liabilities under any incentive contracts with payers.

I understand that you have relied on these items to perform your analysis and have not audited the accuracy or completeness of these items.

With respect to assets and liabilities of AMERIGROUP Tennessee, Inc. as of December 31, 2008, I represent that to the best of my knowledge and belief, the statutory statement, together with related exhibits, schedules and explanation therein contained, annexed or referred to, is a complete and fair statement of all the assets and liabilities and the condition of affairs of the Company as of December 31, 2008.

AMERIGROUP Tennessee, Inc.
STATEMENT OF ACTUARIAL OPINION – 2008

I, John C. Lloyd, a member of the American Academy of Actuaries, am a Principal with the firm of Ingenix Consulting, which has been retained by AMERIGROUP Tennessee, Inc. (Company) to render this opinion. I meet the Academy qualification standards for rendering the opinion and am familiar with the valuation requirements applicable to life and health insurance companies.

I have examined the actuarial assumptions and actuarial methods used in determining reserves and related actuarial items listed below, as shown in the annual statement of the Company, as prepared for filing with state regulatory officials for year 2008. Tabulated below are those reserves and related actuarial items.

Claims unpaid (less \$ reinsurance ceded) (Page 3, Line1)	\$ 75,084,654
Accrued medical incentive pool and bonus payments (Page 3, Line 2)	\$ 0
Unpaid claims adjustment expenses (Page 3, Line 3)	\$ 1,899,953
Aggregate health policy reserves (Page 3, Line 4)	\$ 0
Aggregate health claim reserves (Page 3, Line 7)	\$ 0

In forming my opinion on the reserves above, I relied upon data prepared by Margaret Roomsburg, Chief Accounting Officer, as certified in the attached statements. I evaluated that data for reasonableness and consistency. In other respects, my examination included review of the actuarial assumptions and actuarial methods used and tests of the calculations I considered necessary.

My review covered the effect on reserves of incentive contracts with service providers and potential provider insolvencies. My review included consideration of the potential impact on reserves of contractual arrangements between the Company and service providers. Based on that review and the opinion provided by the Company regarding the separate amounts included to cover potential performance default by at-risk providers, I believe the amounts shown above appropriately recognize the financial impact of contracts between service providers and the Company and the financial strength of at-risk providers.

In my opinion the reserves and related actuarial values concerning the statement items identified above:

- (a) Are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated, in accordance with sound actuarial principles;
- (b) Are based on actuarial assumptions that produce reserves at least as great as those called for in any contract provision as to reserve basis and method, and are in accordance with all other contract provisions;
- (c) Meet the requirements of the Insurance Law and regulation of the state of Tennessee; and are at least as great as the minimum aggregate amounts required by the state in which this statement is filed;

AMERIGROUP Tennessee, Inc.
STATEMENT OF ACTUARIAL OPINION - 2008
(Continued)

- (d) Make a good and sufficient provision for all unpaid claims and other actuarial liabilities of the organization under the terms of its contracts and agreements;
- (e) Are computed on the basis of assumptions consistent with those used in computing the corresponding items in the annual statement of the preceding year-end; and
- (f) Include provision for all actuarial reserves and related statement items which ought to be established.

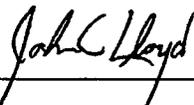

The reserves and related items, when considered in light of the assets held by the company with respect to such reserves and related actuarial items including, but not limited to, the investment earnings on the assets, and the considerations anticipated to be received and retained under the policies and contracts, make adequate provision, according to presently accepted actuarial standards of practice, for the anticipated cash flows required by the contractual obligations and related expenses of the company.

The Underwriting and Investment Exhibit – Part 2B was prepared consistent with “Section 3.6, *Follow-Up Studies*” contained in Actuarial Standard of Practice No. 5, *Incurred Health and Disability Claims* which was adopted by the Actuarial Standards Board in December 2000 (Effective May 1, 2001).

The actuarial methods, considerations and analyses used in forming my opinion conform to the appropriate Standards of Practice as promulgated by the Actuarial Standards Board, which standards form the basis of this statement of opinion.

This opinion is updated quarterly as required by statute. To the best of my knowledge, there have been no material changes from the applicable date of the annual statement to the date of the rendering of this opinion which should be considered in reviewing this opinion.

The impact of the unanticipated events subsequent to the date of this opinion is beyond the scope of this opinion.

Notes to Financial Statement

1. Summary of Significant Accounting Policies

A. Accounting Practices

The Financial Statements of AMERIGROUP Tennessee, Inc. (the Company) is presented on the basis of accounting practices prescribed or permitted by the Tennessee Department of Commerce and Insurance.

The Tennessee Department of Commerce and Insurance recognizes only statutory accounting practices prescribed or permitted by the state of Tennessee for determining and reporting the financial condition and results of operations of an insurance company, for determining its solvency under the Tennessee Insurance Law. The National Association of Insurance Commissioners' (NAIC) Accounting Practices and Procedures manual, version effective March 1, 2008 (NAIC SSAP) has been adopted as a component of prescribed or permitted practices by the state of Tennessee.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with the Statutory Accounting Principles requires management to make estimates and assumptions that affect the report amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

C. Accounting Policy

The Company records premium revenues based on its membership records and premiums rates for each membership category within each county. Premiums are due monthly and are recognized as revenue during the period in which the company is obligated to provide service to members.

In addition, the Company uses the following accounting policies.

- (1) Short-term investments are stated at amortized cost. Any Bonds not backed by other loans are stated at amortized cost using the interest method.
- (2) Unpaid Claims and loss adjustment expenses include an amount determined from individual case estimates and claim reports and an amount, based on past experience, for claims incurred but not reported. Such liabilities are necessarily based on assumptions and estimates and while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liability is continually reviewed and any adjustments are reflected in the period determined.

2. Accounting Changes and Corrections of Errors

Additionally, we received a purchase price adjustment of \$1.5 million for early termination of the ASO contract.
